often can help to make food taste better, taking away all the guesswork and giving you back some free time. In this cookbook, you will find recipes that teach you how to cook sous vide, starting with basics like the perfect steak or soft-cooked egg. You will also find recipes that expand

your knowledge and creativity in the kitchen using sous vide, from a holiday-worthy chuck roast that tastes like a prime rib at a fraction of the cost to eggs Benedict to fruit-on-the-bottom yogurt cups.
