Aku dan kekasihku Salsa memutuskan untuk 'beristirahat' guna mengintrospeksi diri karena aku tak bisa lepas dari rokok. Namun beberapa hari kemudian aku melihat salsa memasang foto dirinya dengan Herlambang, lelaki yang dikenal sebagai pecinta perempuan, di media sosial. Bram, temarku kemudian bercerita tentang perilaku Herlambang, yang sering menyewa ruangan di rumah Bram guna bermesraan dengan sejumlah perempuan cantik. Bram tahu hal itu karena diam-diam dia memasang kamera tersembunyi di ruangan yang biasa disewa Herlambang. Kemudian, Bram menghubungi aku dan menginformasikan kalau dia punya rekaman adegan mesra antara Herlambang dengan... Salsa. Aku yang penasaran lalu menyaksikan sendiri adegan di dalam rekaman itu. Apa persisnya yang aku saksikan?

Aku diundang Komarudin ke rumahnya untuk nonton bareng Euro 2020, ketika Komarudin tertidur, Anissa istri Komarudin meminta bantuanku untuk mengoleskan bedak cream ke punggungnya. Kegiatan oles-mengoles ini kemudian berkembang menjadi sesuatu yang sama sekali tidak aku bayangkan. Apa yang terjadi selanjutnya?

Medicine brings forth images of dour, grave looking faces with heads buried in thick books. Naah....not at Dale. Set in an era much before hyper-connectivity made us social recluses, this is a hilarious take on the lives of fifty teenagers. Walk with them as they face the challenges of a treacherous first term at a medical school in Damsar, through the landmines of the anatomy hall, the eccentric physiological concepts and the endless biochemistry cycles that most did not give a damn for, well nearly most. This is a saga of how the class survived the adventure of a bus trip with a slashed driver, the dressing down by teachers, the quirks of their own characters and still found time to shake a leg or two. Find out if Podgy and Palak will be together right till the end? Will Lego find his balance and Joy his joy? Will Tazo survive his class? Will people keep falling off the South Pole? Rohan needs this answer, desperately!

A language of Indic origin heavily influenced by European idioms for many centuries now, Romani provides an interesting experimental field for students of language contact, linguistic minorities, standardization, and typology. Approaching the language via its ever-surfacing character as a language in contact, the volume gives expression to part of the wide range or research represented in today's field of Romani linguistics. Contributions focus on problems in typological change and structural borrowing, lexical borrowing and lexicai reconstruction, the Iranian influence on the language, interdialectal interference, language mixing, Romani influences on slang and argot, grammatical categories in discourse, standardization and literacy in a multilingual community, and plagiarism of data in older sources. The authors discuss dialects spoken in the Czech and Slovak Republics, Serbia, Macedonia, Germany, Poland, and Romania, as well as related varieties in Spain and the Middle East.

"I never go to bed angry. I stay awake and plot my revenge." Imprisoned for killing Silas, Briar's only chance of surviving is to rely on her roommates and Luke, the sexy shifter she loves to hate. If Briar can't let go of her demons, she'll lose everyone she loves. Scroll up and grab this gritty urban fantasy TODAY!

From the author of the whip smart and charming Trouble Brewing comes a fast-paced story about a female football coach that will have you laughing out loud and cheering for the home team as you wait for the final whistle of the game. When Connor McGuire loses out on his dream job of being the head coach of the local high school football team, he thinks life can't get any worse. Then he discovers just who got the coveted position—it was a handout to the kid of a well-known, successful college coach. Connor's sure this is just a publicity stunt, but the kid turns out to be not only a sharp strategist, but a driven and sexy young woman, too. Frustrated in more ways than one, Connor realizes that he might have to step up his game or risk losing altogether. Coach Charlotte "Charlie" Gibb calls a flag on the play when she finds out that her very male, very attractive, but definitely-rooting-for-her-to-lose assistant coach resents her for taking what he considers to be his rightful position. But never one to back down from a little healthy competition, Charlie is determined to prove her worth—both on and off the field. Balsar's "sweet, funny, witty, addictive writing." (New York Times bestselling author Samantha Young) is not to be missed!
