Any Word Drawing A spectator opens the book to any page and chooses

something that she can  
visualize in her mind.

Without asking for the  
page number or any  
specifics of the word  
(such as the length of  
the word or the letters it  
contains), the performer  
correctly draws out the  
image that the spectator  
is visualizing. Effect 2 -  
Imagined Drawing

Prediction A spectator

She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture.
