How to book, with most examples for the Apple Macintosh.

One of the nation's foremost experts on architecture discusses the role of style in the "language" of the discipline, and shows how Frank Gehry, Mies van der Rohe, Allan Greenberg, and others are influenced by it.

Dante Branson's life is a perilous tightrope walk between the light that shines on a world of virtue and promise and the darkness that constantly calls out to his reckless and unruly nature. His journey is beset on all sides by an assortment of individuals hoping to sway him in one direction or the other. But when the unthinkable happens it will be left up to Dante alone to decide on which side of the line his destiny truly lies.

Today fans still remember and love the British girls' comic Misty for its bold visuals and narrative complexities. Yet its

unique history has drawn little critical attention. Bridging this scholarly gap, Julia Round presents a comprehensive cultural history and detailed discussion of the comic, preserving both the inception and development of this important publication as well as its stories. *Misty* ran for 101 issues as a stand-alone publication between 1978 and 1980 and then four more years as part of *Tammy*. It was a hugely successful anthology comic containing one-shot and serialized stories of supernatural horror and fantasy aimed at girls and young women and featuring work by writers and artists who dominated British comics such as Pat Mills, Malcolm Shaw, and John Armstrong, as well as celebrated European artists. To this day, *Misty* remains notable for its daring and sophisticated stories, strong female characters, innovative page layouts, and big visuals. In the first book on this topic, Round closely analyzes *Misty*'s content, including its creation and production, its cultural and historical context, key influences, and the comic itself. Largely based on Round's own archival research, the study also draws on interviews with many of the key creators involved in this comic, including Pat Mills, Wilf Prigmore, and its art editorial team Jack Cunningham and Ted Andrews, who have never previously spoken about their work. Richly illustrated with previously unpublished photos, scripts, and letters, this book uses *Misty* as a lens to explore the use of Gothic themes and symbols in girls' comics and other media. It surveys existing work on childhood and Gothic and offers a working definition of Gothic for Girls, a subgenre which challenges and instructs readers in a number of ways.
