Commissioned by the same group that premiered Moscow, 1941, this incredible new work chronicles the World War II miracle involving the only Americans to ever escape from a sunken submarine. Beginning with dark chords and a military field drum, the music evokes thoughts of honor and integrity.

In the early morning hours of October 24, 1944, the legendary U.S. Navy submarine Tang was hit by one of its own faulty torpedoes. The survivors of the explosion struggled to stay alive one hundred-eighty feet beneath the surface, while the Japanese dropped deadly depth charges. As the air ran out, some of the crew made a daring ascent through the escape hatch. In the end, just nine of the original eighty-man crew survived. But the survivors were beginning a far greater ordeal. After being picked up by the Japanese, they were sent to an interrogation camp known as the " Torture Farm. " When they were liberated in 1945, they were close to death, but they had revealed nothing to the Japanese, including the greatest secret of World War II. With the same heart-pounding narrative drive that made The Bedford Boys and The Longest Winter national bestsellers, Alex Kershaw brings to life this incredible story of survival and endurance.

I was innocent, and they called me a monster. Maybe a monster is exactly what the earth needs. My name is Sara Slick, and I was an average teenager. I worked hard. Followed the rules. Took care of my family. But normal dissolved the night that the hidden world of The Far showed up to accuse my dad of heinous crimes against the magical community. To protect the ones I loved, I took the blame and the sentence of ten lifetimes in The Deep. No human had ever been sent to this paranormal prison. They didn't think I'd last the night. They couldn't have been more wrong. I survived by becoming the kind of human the magical world feared. Now, a decade later, I need to escape from hell before the home I sacrificed everything for meets its end at the hands of a maniacal, master wizard and his army of fanatics. What's one army against the heinous Sara Slick? Escape the Deep is a fast-paced urban fantasy that pits the power of the innocent against the influence of the cruel. Filled with magic, monsters, and one badass human, The Heinous Crimes of Sara Slick will satisfy your need for action, adventure, and the delightfully absurd. Buy Escape the Deep now!

Since the age of ten, Mia has rebelled against the iron fist of a fundamentalist preacher who lured her mother away to join a fanatical family of followers. At "Edenton," a supposed Garden of Eden deep in the South American jungle, everyone follows the reverend's strict and arbitrary rules—even about whom they can marry. Mia dreams of slipping away from the armed guards who keep the faithful in and the curious out. When the rebellious Gabe, a new boy, arrives with his family, Mia sees her chance to escape and to free her family. But the scandalous secrets the two discover beyond the compound's facade are more shocking than anything they imagined. While Gabe has his own terrible secrets, he and Mia bond together, more than friend and freedom fighters. But there's no time to think about love as they race against time to stop the reverend's paranoid plan to free his flock--but not himself--from this corrupt world. Can two kids crush a criminal mastermind? And who will die in the fight to save the ones they love from a madman whose only concern is his own secrets?

But when their boat is capsized during a sudden storm, Riley finds more excitement than she bargained for as she and Alfie are washed ashore with neither of their parents in sight. Where they ' ve been shipwrecked is no deserted island, though. Atlantis is a place beyond imagination, inhabited by both people and incredible creatures ranging from unicorns and gargoyles to talking animals. But not everyone welcomes the cousins ' arrival, and beneath the wonder of this mythical land lurk dangerous secrets—something strange is happening to the inhabitants. What Riley wants more than anything is to find her father and go home. But the closer she gets to this goal, the more the islanders seem determined to keep her from reaching it. As Riley and Alfie unravel the mystery of Atlantis and its most terrifying part, the Forbidden Zone, they realize that the clock is ticking.
