The Euro-Pro TO21 holds a lot; make toast crunchy and evenly toasted front and back; can hold a small size pizza. I use my toaster oven to pre-heat left-overs, bake or cook. Although, I've never washed the slide out tray on the bottom; I spray oven cleaner and stains are gone without major scrubbing.

before I bought it.

A memoir by the mustachioed baseball pitcher who went playing rocky, trash-ridden fields in Castro 's Cuba to becoming a Boston Red Sox legend. Luis Tiant is one of the

most charismatic and accomplished players in Boston Red Sox and Major League Baseball history. With a barrel-chested physique and a Fu Manchu mustache, Tiant may not have looked like the lean, sculpted ace he usually played against, but nobody was a tougher competitor on the diamond, and few were as successful. There may be no more qualified twentieth-century pitcher not yet enshrined in the National Baseball Hall of Fame. His big-league dreams came at a price: racism in the Deep South and the Boston suburbs, and nearly fifteen years separated from a family held captive in Castro ' s Cuba. But baseball also delivered World Series stardom and a heroic return to his island home after close to a half-century of forced exile. The man whose name— “ El Tiante ” —became a Fenway Park battle cry has never fully

shared his tale in his own words, until now. In *Son of Havana*, Tiant puts his heart on his sleeve and describes his road from torn-up fields in Havana to the pristine lawns of major league ballparks. Readers will share Tiant's pride when appeals by a pair of US senators to baseball-fanatic Castro secure freedom for Luis's parents to fly to Boston and witness the 1975 World Series glory of their child. And readers will join the big-league ballplayers for their spring 2016 exhibition game in Havana, when Tiant—a living link to the earliest, scariest days of the Castro regime—threw out the first pitch.
