European Framework Agreements and Telework: Law and ...

The framework agreement on telework was negotiated in 2001/2002 and is the first agreement to be implemented by the social partners at national level (see Procedures ). The social partners see telework both as a way for companies and public service organisations to modernise work organisation and as a way for workers to reconcile work and social life, giving them greater autonomy in the accomplishment of their tasks.

law) agreements concluded by the European Social Partners. The employer organisations UNICE, CEEP, and UEAPME, and the trade union organisation ETUC.

European Framework Agreements and Telework: Law and ...

Teleworkers are included in calculations for determining thresholds for bodies with worker representation in accordance with European and national law, collective agreements or practices. The establishment to which the teleworker will be attached for the purpose of exercising his/her collective rights is specified from the outset.

FRAMEWORK AGREEMENT ON TELEWORK IN EU - SetThings

The global spread of Covid-19 is forcing employers worldwide to introduce teleworking. In Europe there are no uniform regulations for the introduction of telework, except for the voluntary European framework agreement from 2002, which only contains a general legal framework. However, this agreement is not binding law for the EU member states.
