Excellent, effective, and practical business communication skills are necessary in order to succeed in today's business world. Excellence in Business Communication delivers an abundance of the most realistic model documents and tools, helping readers learn business communication skills by example. The tenth edition is a more efficient, rigorously revised textbook that maintains solid coverage of fundamentals while focusing on today's social media revolution and the impact it will have on readers' future careers.

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 9E offers a realistic approach to communication in today's organizations. The text covers the most important business communication concepts in detail and thoroughly integrates coverage of today's social media and other communication technologies. Building on core written and oral communication skills, the ninth edition helps readers make sound medium choices and provides guidelines and examples for the many ways people communicate at work. Readers learn how to create PowerPoint decks, use instant messaging and texting effectively at work, engage customers using social media, lead web meetings and conference calls, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

KEY BENEFIT: With its real-life examples and cases, and its lively, conversational writing style, Bovee/Thill/Mescon brings concepts to life and prepares students for obtaining and pursuing satisfying business careers. **KEY TOPICS:** Bovee/Thill/Mescon weaves a four-part pedagogical tool through out each chapter. It starts with Orient, which outlines what is going to be covered in the chapter and then connects these topics with a "role-model" business professional. Next is Explore, which looks at the skills that their "role-model" used in order to be successful. Third is Confirm, which revisits what they have learned in the chapter. And, finally, Apply allows students to use the skills they have learned in the chapter. **MARKET:** For introductory level business students.

For undergraduate courses in business communication. Develops Professional Communication Skills Following in the wake of the digital revolution and the advent of social media, business communication has been hit by yet another revolutionary change: the rise of mobile communication. In this Twelfth Edition of Bovee and Thill's Excellence in Business Communication, the most significant and recent technology-related changes affecting the business world are thoroughly discussed. Not to be forgotten, the text continues to emphasize fundamental skills and principles, including the importance of writing, listening, presenting, and other components of business communication. Featuring practical advice, time-tested processes, and real-world examples, Excellence in Business Communication is the premier text for honing and developing essential communication skills. Also Available with MyBCommLab® This title is also available with MyBCommLab--an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. **NOTE:** You are purchasing a standalone product; MyBCommLab does not come packaged with this content.
