Conclusion: ERP expert witnesses can help us learn to succeed. These confessions are meant to be less about being an ERP expert witness and more to do with learning from learning from ERP failure. By examining these extreme “train wreck” situations, we can learn what not to do, which is just as important as what you do need to do.

Sandberg Consulting Engineers | Expert Witness

An expert witness, particularly in common law countries such as the United Kingdom, Australia, and the United States, is a person whose opinion by virtue of education, training, certification, skills or experience, is accepted by the judge as an expert. The judge may consider the witness's specialized (scientific, technical or other) opinion about evidence or about facts before the court within ...

Expert witness - Wikipedia

Advice by fire engineers that the refurbishment of the Grenfell Tower would have ‘no adverse effect’ on its fire safety performance despite not assessing cladding proposals equated to ‘very serious evidence of professional negligence’, an expert to the inquiry has claimed.
