Unfathomable at Dictionary.com
While it may seem like there are
a whole lot of celebrities who
have green eyes, this eye color is
actually estimated to be one of
the rarest eye colors in the world.
According to World Atlas , those
with brown eyes make up
anywhere from 55 to 79 percent
of the world's population,
whereas those with green eyes
make up just two percent of the
global population.

Fireball is the fifth album by English rock band Deep Purple, released in 1971 and the second with the Mk II line-up. It was recorded at various times between September 1970 and June 1971. It became the first of the band's two UK No. 1 albums, though it did not stay on the charts as long as its predecessor, Deep Purple In Rock. Even though the album has sold over a million copies in the UK, it ...
