There are hundreds of books out there on sales, but 7 Secrets to Successful Sales Management is one of the few aimed directly at the most critical person in the sales organization: the sales manager. A practical, hands-on guide, the book presents an integrated approach to sales management and combines the author's experience with innovative strategies for motivating your sales force, recruiting quality sales people, and training new employees. Written by a grizzled veteran, the book reflects his success and allows you to learn from his mistakes. As Jack Wilner is fond of saying, "Nothing in this book is theoretical. It's all based on one thing and one thing only—what works!"

In Fast-Track Triathlete, elite triathlon coach Matt Dixon offers his plan of attack for high performance in long-course triathlon—without sacrificing work or life. Developed for busy professionals with demanding schedules, the Fast-Track Triathlete program makes your PR possible in Ironman®, Ironman 70.3®, Rev3, and Challenge triathlon in about 10 hours a week. Training for long-course triathlons once demanded 15-20 hours each week—on top of work, family, travel and other time commitments. For many, preparing for long-distance triathlon is more challenging than the race itself. Now Fast-Track Triathlete opens the door to your best performance in full- and half-distance triathlons in half the traditional training time. Dixon's laser-focused, effective approach to workouts, recovery, strength and mobility, and nutrition means you can prepare for triathlon's greatest challenges in just 7-10 hours per week for half-distance and 10-12 hours per week for full-distance. Fast-Track Triathlete includes • Dixon's complete guide to creating a successful sport and life performance recipe • How to plan out your triathlon training • Scaling workouts for time and fatigue • Training and racing during travel • Executing your swim-bike-run and transitions plan on race day • 10-week off-season training program with key workouts • 14-week pre-season training program with key workouts • 14-week comprehensive race-prep full and half training plans with fully integrated strength and conditioning Dixon's first book, The Well-Built Triathlete, revealed his four-tiered approach to success in all triathlon race distances. Fast-Track Triathlete turbocharges Dixon's well-built program so even the busiest athletes can achieve their long-distance triathlon dreams without sacrificing so much to achieve them.
