58 color reproducible graphic organizers to help your students comprehend any book or piece of literature in a visual way. Our graphic organizers enable readers to see how ideas fit together, and can be used to identify the strengths and weaknesses of your students' thought processes. Our graphic organizers are essential learning tools that will help your students construct meaning and understand what they are reading. They will help you observe your students' thinking process on what you read as a class, as a group, or independently, and can be used for assessment. They include: Story Maps, Plot Development, Character Webs, Predicting Outcomes, Inferencing, Foreshadowing, Characterization, Sequencing Maps, Cause-Effect Timelines, Themes, Story Summaries and Venn Diagrams.

Teaching lessons that meet the standards for your grade level in reading, writing, science, geography, history and math.

Teaching lessons that meet the standards for your grade level in reading, writing, science, geography, history and math.

Provides teachers lessons and activity sheets on ways to promote vocabulary development for elementary students that supports individualized learning on three levels--introductory, intermediate, and challenging.

Offers forms for fourth- to eighth-grade English, math, science, and social science classes

Aesop's Fables is a collection of stories credited to Aesop, a slave and storyteller believed to have lived in ancient Greece between 620 and 564 BCE. Of diverse origins, the stories associated with Aesop's name have descended to modern times through a number of sources and include such favorites as The Fox and the Grapes, The Tortoise and the Hare, The Farmer and the Stork, The North Wind and the Sun, The Ant and the Grasshopper and hundreds more.

Help students build background knowledge, synthesize information, and increase their overall understanding of social studies topics with this collection of 20 highly motivating, reproducible graphic organizers. Mini-lessons help teachers introduce each organizer and provide directions for use. Also includes student samples that model how to use the organizers. For use with Grades 4-6.

Designed to exercise a particular thinking skill, each of these adorable learning tools will help students learn to think, write, and plan. Teach cause and effect with the Spider and the Caterpillar, ignite creative thinking with the Turtle, and much more. Sample lessons reveal how to use graphic organizers in language arts, science, social studies, and math.

Offers twenty graphic organizer projects with instructions, templates, lists of objectives and materials, item descriptions, and suggestions for using the item for alternate topics on ready-to-reproduce pages.
