Grendels Mother: The Saga of the Wyrd-Wife: Amazon.co.uk ...
Brimhild weaves peace and conveys culture to the kingdom, until the secret of her birth threatens to tear apart the fragile political stability. This is her story – the tale of Grendel’ s Mother. She is no monster as portrayed in the Old English epic, Beowulf. We learn her side of the story and that of her defamed child.

Grendel's Mother | The Saga of the Wyrd-Wife
In Grendel's Mother: The Saga of the Wyrd-Wife, Susan Morrison has given us the story behind the Old English saga of Beowulf, an epic hero who saves his people from the monster Grendel and, later, from Grendel's mother. But in Morrison's telling--a powerful extension of the story and a deep and compelling glimpse into the culture that produced it--Grendel is a tragic hero and his mother a real and fascinating woman.

Grendel's Mother: The Saga of the Wyrd-Wife by Susan Signe ...
Grendel's Mother: The Saga of the Wyrd-Wife, Susan Signe Morrison ' s feminist revision of the ancient epic Beowulf, embraces and fleshes out the story of Grendel ' s mother, Brimhild, who struggles in a Medieval world which does not respect her authority and in which women are often mistreated, threatened, or discounted. Though in the original text Brimhild is described as a monster, Morrison makes it clear that Brimhild is a strong female character, more a victim of her times than a ...

Grendel's Mother: The Saga of the Wyrd-Wife Summary ...
Grendel's Mother (also sometimes called " Hag " in the old Viking Beowulf saga) is one of the three main antagonists in the Viking saga Beowulf as well as its many retellings over the years: she has varied between a hideous old hag to a seductive femme fatale (similar to a siren) but has always remained consistent in her motives - to avenge the death of her son Grendel at the hands of the Viking hero Beowulf.

Grendel's Mother - Villains Wiki - villains, bad guys ...
John Gardner ' s Grendel stands out, but Susan Signe Morrison ' s Grendel ' s Mother: The Saga of the Wyrd-Wife, takes adaptation a step further. Instead of just retelling the story of Beowulf from Grendel ' s mother ' s perspective as the title suggests, Morrison goes all in with her titular character.

Susan Signe Morrison ' s Grendel ' s Mother: The Saga of the ...
Peter J. Smith, reader in Renaissance literature, Nottingham Trent University, has just finished Susan Signe Morrison ' s Grendel ' s Mother: The Saga of the Wyrd-Wife(Top Hat, 2015). " This retelling of the Anglo-Saxon epic by one of the period ' s most renowned scholars is gloomy and powerful in equal measure.

Susan Signe Morrison - Grendel's Mother: The Saga of the ...
Character Analysis Grendel's Mother
Grendel's mother (sometimes called his "dam") is not as huge or as powerful as the son, but she is motivated by revenge. Her son has returned to their cave mortally wounded, one of his two arms (or claws) ripped from its shoulder socket and hanging, now, beneath the roof of Hrothgar's mead-hall.

Grendel's Mother
Grendel's mother is one of three antagonists in the anonymous Old English poem Beowulf. The other antagonists are Grendel and the dragon, all aligned in opposition to the hero Beowulf. She is introduced in lines 1258b to 1259a as: "Grendles modor/ides, aglæcwif". Grendel's mother, who is never given a name in the text, is the subject of ongoing controversy among medieval scholars. This is due to the ambiguity of a few words in Old English which appear in the original Beowulf manuscript ...

Grendel's mother - Wikipedia
Layla Roberts portrayed Grendel's mother in Beowulf (1999), a fantasy/science fiction retelling directed by Graham Baker. While some of the film remains true to the original poem, other plot elements deviate from the original poem. She is depicted as a beautiful woman able to turn into a multi-limbed devil-like creature.

An amber bead. A gold and glass drinking horn. A ring engraved with Thor ’ s hammer – all artifacts from a Germanic tribe that carved a space for itself through brutality and violence on a windswept land . Brimhild weaves peace and conveys culture to the kingdom, until the secret of her birth threatens to tear apart the fragile political stability. This is her story – the tale of Grendel ’ s Mother. She is no monster as portrayed in the Old English epic, Beowulf. We learn her side of the story and that of her defamed child. We see the many passages of her life: the brine-baby who floated mysteriously to shore; the hall-queen presiding over the triumphant building of the golden hall Heorot and victim of sexual and political betrayal; the exiled mere-wife, who ekes out a marginal life by an uncanny bag as a healer and contends with the menacing Beowulf; and the seer, who prophesizes what will occur to her adopted people. We learn how the invasion by brutal men is not a fairy tale, but a disaster doomed to cycle relentlessly through human history. Only the surviving women can sing poignant laments, preserve a glittering culture, and provide hope for the future.

The story of social injustice, where a girl is sacrificed to the dragon for bringing shame to her family and community, and finds herself alive, alone in the wild, where she discovers special skills tied to her love of nature that enable her to survive, to give birth, and to raise a baby-deemed a monster-entirely on her own. Large Print edition.

Literary scholar, professor, and poet J. Lesslie Hall is best known for his 1897 translation of the Old English epic poem "Beowulf."

The first and most terrifying monster in English literature, from the great early epic Beowulf, tells his own side of the story in this frequently banned book. This classic and much lauded retelling of Beowulf follows the monster Grendel as he learns about humans and fights the war at the center of the Anglo Saxon classic epic. This is the book William Gass called "one of the finest of our contemporary fictions."

A new, feminist translation of Beowulf by the author of the much-buzzed-about novel The Mere Wife Nearly twenty years after Seamus Heaney ’ s translation of Beowulf—and fifty years after the translation that continues to torment high-school students around the world—there is a radical new verse translation of the epic poem by Maria Dahvana Headley, which brings to light elements that have never before been translated into English, recontextualizing the binary narrative of monsters and heroes into a tale in which the two categories often entwine, justice is rarely served, and dragons live among us. A man seeks to prove himself as a hero. A monster seeks silence in his territory. A warrior seeks to avenge her murdered son. A dragon ends it all. The familiar elements of the epic poem are seen with a novelist ’ s eye toward gender, genre, and history—Beowulf has always been a tale of entitlement and encroachment, powerful men seeking to become more powerful, and one woman seeking justice for her child, but this version brings new context to an old story. While crafting her contemporary adaptation of Beowulf, Headley unearthed significant shifts lost over centuries of translation.

What have a deaf nun, the mother of the first baby born to Europeans in North America, and a condemned heretic to do with one another? They are among the virtuous virgins, marvelous maidens, and fierce feminists of the Middle Ages who trail-blazed paths for women today. Without those first courageous souls who worked in fields dominated by men, women might not have the presence they currently do in professions such as education, the law, and literature. Focusing on women from Western Europe between c. 300 and 1500 CE in the medieval period and richly carpeted with detail, A Medieval Woman ’ s Companion offers a wealth of information about real medieval women who are now considered vital for understanding the Middle Ages in a full and nuanced way. Short biographies of 20 medieval women illustrate how they have anticipated and shaped current concerns, including access to education; creative emotional outlets such as art, theater, romantic fiction, and music; marriage and marital rights; fertility, pregnancy, childbirth, contraception and gynecology; sex trafficking and sexual violence; the balance of work and family; faith; and disability. Their legacy abides until today in attitudes to contemporary women that have their roots in the medieval period. The final chapter suggests how 20th and 21st century feminist and gender theories can be applied to and complicated by medieval women's lives and writings. Doubly marginalized due to gender and the remoteness of the time period, medieval women ’ s accomplishments are acknowledged and presented in a way that readers can appreciate and find inspiring. Ideal for high school and college classroom use in courses ranging from history and literature to women's and gender studies, an accompanying website with educational links, images, downloadable curriculum guide, and interactive blog will be made available at the time of publication.

The image of a giant sword melting stands at the structural and thematic heart of the Old English heroic poem Beowulf. This meticulously researched book investigates the nature and significance of this golden-hilted weapon and its likely relatives within Beowulf and beyond, drawing on the fields of Old English and Old Norse language and literature, liturgy, archaeology, astronomy, folklore and comparative mythology. In Part I, Pettit explores the complex of connotations surrounding this image (from icicles to candles and crosses) by examining a range of medieval sources, and argues that the giant sword may function as a visual motif in which pre-Christian Germanic concepts and prominent Christian symbols coalesce. In Part II, Pettit investigates the broader Germanic background to this image, especially in relation to the god Ing/Yngvi-Freyr, and explores the capacity of myths to recur and endure across time. Drawing on an eclectic range of narrative and linguistic evidence from Northern European texts, and on archaeological discoveries, Pettit suggests that the image of the giant sword, and the characters and events associated with it, may reflect an elemental struggle between the sun and the moon, articulated through an underlying myth about the theft and repossession of sunlight. The Waning Sword: Conversion Imagery and Celestial Myth in 'Beowulf' is a welcome contribution to the overlapping fields of Beowulf-scholarship, Old Norse-Icelandic literature and Germanic philology. Not only does it present a wealth of new readings that shed light on the craft of the Beowulf-poet and inform our understanding of the poem's major episodes and themes; it further highlights the merits of adopting an interdisciplinary approach alongside a comparative vantage point. As such, The Waning Sword will be compelling reading for Beowulf-scholars and for a wider audience of medievalists. This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. This interdisciplinary book intergrates the historical practices regarding material excrement and its symbolic representation, concluding that excrement is a moral and ethical category deserving scrutiny.

A fat, dreamy child, disappointing to his famous berserker father, Berki is given the mocking name "Beowulf" by his fellow youths. His love for the maiden Hygd drives him to his first heroic contest, in the course of which he is swept up by the wild passions of the sea-god's ninth daughter. Coming back from the sea's depths to the Geatish court, Beowulf discovers that he is no longer an object of mockery; his troll-like size, strength, and the lingering touch of the Otherworld upon him make him feared where he was once despised. Now Beowulf's true strife lies before him: the struggle to remain human among humans while accepting the sorrows and loneliness of his Otherworldly nature; to use his monster's strength to defend the earth from the ravages of troll and dragon; and to stand, at last, as a true king for the folk who once thought him worthless

BOOK ONE IN THE CLASSIC HEOROT SERIES FROM GENRE LEGENDS
LARRY NIVEN, JERRY POURNELLE, AND STEVEN BARNES
The two hundred colonists on board the Geographic have spent a century in cold sleep to arrive here: Avalon, a lush, verdant planet lightyears from Earth. They hope to establish a permanent colony, and Avalon seems the perfect place. And so they set about planting and building. But their very presence has upset the ecology of Avalon. Soon an implacable predator stalks them, picking them off one by one. In order to defeat this alien enemy, they must reevaluate everything they think they know about Avalon, and uncover the planet's dark secrets. At the publisher's request, this title is sold without DRM (Digital Rights Management).
About The Legacy of Heorot: "Page-turning action and suspense, good characterization and convincing setting . . . may be the best thing any of those authors has written."—The Denver Post " Outstanding! . . . The best ever, by the best in the field . . . the ultimate combination of imagination and realism."—Tom Clancy "Well written, action-packed, and tension filled. . . makes Aliens look like a Disney nature film."—The Washington Post " Spine-tingling ecological tale of terror. . . —Locus About sequel Beowulf's Children: "Few writers have a finer pedigree than those here. . . . As one might suspect Beowulf's Children is seamless . . . absorbing, substantial . . . masterful novel."—Los Angeles Times "Panoramic SF adventure at its best."—Library Journal About Larry Niven & Jerry Pournelle: "Possibly the greatest science fiction novel I have ever read."—Robert A. Heinlein on The Mote in God's Eye About Larry Niven: " Larry Niven ’ s RINGWORLD remains one of the all-time classic travelogues of science fiction — a new and amazing world and fantastic companions. "—Greg Bear "Our premier hard SF writer. " —The Baltimore Sun "The scope of Larry Niven's work is so vast that only a writer of supreme talent could disguise the fact as well as he can."—Tom Clancy "Niven is a true master."—Frederik Pohl About Jerry Pournelle: "Jerry Pournelle is one of science fiction's greatest storytellers."—Poul Anderson "Jerry Pournelle's trademark is first-rate action against well-realized backgrounds of hard science and hardball politics."—David Drake "Rousing . . . The Best of the Genre"—The New York Times "On the cover . . . is the claim "No. 1 Adventure Novel of the Year." And well it might be."—Milwaukee Journal on Janissaries About Steven Barnes: " Brilliant, surprising, and devastating. " —David Mack " Sharp, observant and scary. " —Greg Bear "Profound and exhilarating."—Maurice Broaddus, author of The Knights of Breton Court " Barnes gives us characters that are vividly real people, conceived with insight and portrayed with compassion and rare skill and then he stokes the suspense up to levels that will make the reader miss sleep and be late for work. " —Tim Powers " [Barnes] combines imagination, anthropology and beautiful storytelling as he takes readers to the foot of the Great Mountain, today known as Mount Kilimanjaro. " —Durham Triangle Tribune on Great Sky Woman
