Here are five of the many ways to live happily ever after from the stories in this book. 1. Never give up on true love. Arnold Fine never imagined that returning a man's lost wallet would bring together two long-lost lovers. The wallet only had three dollars and a letter from 1924, telling the recipient that she couldn't see him anymore.

Happily Ever After is a pretty hefty tome. It's a short story anthology edited by John Klima and featuring authors such as Gregory Maguire, Susanna Clarke, Patricia Briggs, and Charles de Lint. The short stories are retellings, interpretations and variations on classic fairy and folk tales.

*Happily Ever After by John Klima - Goodreads*

You want a crisp coating so don't overcrowd the pan. As soon as one side is golden brown, turn them to cook the other side. This takes about 90 seconds in total. When they are golden, lift them out of the oil with a slotted spoon and serve immediately as these do not live happily ever after, but go from sublime to so-so in about one minute flat.

After Happily Ever After is a delicious collection of familiar characters from stand out novels. This is my most favourite style of short story collections. I applaud editors Astrid Ohletz and Alex K. Thorne for soliciting the nine authors featured in this work. The stories are as diverse as the main characters and each lovable in their own way.
