Haven: War of the Princes, Book One by A. R. Ivanovich was unexpectedly great! I really did love it, even though I was worried for the first few chapters. This \$.99 cent Amazon ebook, may have a smaller cross section of the YA audience with its fantasy, dystopian, steampunkish-maybe even sci-fi story line, with a touch of romance, but it still deserves the accolades.

Two princes wage a tyrannical war throughout the world using magic wielding Dragoons as their henchmen. We meet Rune, the laughably named hero of the story, early on in the cave. Their initial interaction was very interesting to read, two people from different worlds, of which neither of them knew the other even existed, meet for the first time.
