Studies

Fifty years ago  
medicine was  
straightforward.

Doctors had limited  
therapeutic options  
and patients did as  
they were told. Today,  
an array of medial  
interventions is

# Read Online

## Health

Putting increasing pressure on limited resources, patients are questioning everything and doctors are uncertain of their role. Health economists hoped to offer important insights to aid decision making, but their technical frameworks bore little resemblance to the

# Read Online

## Health

practical requirements of end users. Now, this book presents the concepts and insights that health economics has to offer in a way that is accessible to every healthcare decision maker.

Getting Health Economics into Practice is for all those who are involved in the

Read Online

Health

planning, commissioning and delivery of healthcare. It illuminates the practical value that the concepts and principles of health economics can offer decision makers at all levels.

Comprehensive and extensive, it is the first such book to be edited by a clinician

# Read Online

## Health

rather than a health economist, with contributions from an expert panel of specialists. This approach ensures it is accessible and useful in the everyday work of health professionals. It is relevant for all healthcare sectors, in particular for Primary Care Trusts, and is

# Read Online Health

Essential reading for  
managers,  
researchers, and  
especially  
practitioners.
