Himalaya The Exploration And Conquest Of The Greatest ...

British mountaineers in the alps and himalayas had described their climbing as a form of imperial conquest, exploration and adventure since the mid-nineteenth century. 7 historians have identified two predominant visions of empire, the 'peace' empire of improvement and development and the 'heroic' empire of military conquest and manly character.

Himalaya The Exploration and Conquest of the Greatest ...

The Himalayas are home to the 14 greatest mountains on the planet—each towering over 26,246 feet. In breathtaking images and panoramic mountain maps, Himalaya marks the 60th anniversary of Sir Edmund Hillary and Tenzing Norgay's landmark ascent of Everest, as well as the 50th anniversary of the first successful American expedition. It examines the region's geographical origins, peoples, and discovery by the West, along with heroic pioneering ascents—including K2, Nanga Parbat, Annapurna ...
