Health & Safety Executive " The Purple Guide has been written by The Events Industry Forum in consultation with the events industry. Its aim is to help those event organisers who are dutyholders to manage health and safety, particularly at large-scale music and similar events.

The Purple Guide

This publication is designed to replace the original "Purple Guide" (HSG195) which was originally published by the Health & Safety Executive (HSE) in consultation with the industry. The guide aims to help those who organise music or similar events, so that the events can run safely.

Introduction - The Purple Guide

In 1993, HSE, in conjunction with the Home Office and the Scottish Office, published The guide to health, safety and welfare at pop concerts and other similar events. The publication was well received and was adopted as the standard for planning and managing health and safety at these events. In the light of changes to health and safety law ...
