***Hugh Hefner - Biography - IMDb***

The real Hugh Hefner—the extraordinary inside story of an American icon “Riveting... Watts packs in plenty of gasp-inducing passages.”—Newark Star Ledger “Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography.”—Chicago Sun Times “This is a fun book. How could it not be? Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the cultural force it used to be, but it made a stamp on society.”—Associated Press “In Steven Watts’ exhaustive, illuminating biography Mr. Playboy, Hefner’s ideal for living — marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz — proves to be a kind of gloss on the Protestant work ethic.”—Los Angeles TimesGorgeous young women in revealing poses; extravagant mansion parties packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind—Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit The Girls Next Door, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of cultural change?Mr. Playboy, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef’s life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies, reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he could overturn social norms and take America with him.This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental—with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects—in making popular culture into a dominant force in many people’s lives. Ironically, Hefner also became a controversial force in the movement for women’s rights. Although advocating women’s sexual freedom and their liberation from traditional family constraints, the publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination.Throughout, Watts offers singular insights into the real man behind the flamboyant public persona. He shows Hefner’s personal dichotomies: the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life’s simple pleasures who hobnobs with the Hollywood elite.Punctuated throughout with descriptions and anecdotes of life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner’s childhood to the launch of Playboy magazine and the expansion of t

Hugh Hefner was an American publisher. He was best known as the editor-in-chief of Playboy magazine, which he founded in 1953, and as chief creative officer of Playboy Enterprises, the publishing group that operates the magazine. An advocate of sexual liberation and freedom of expression, Hefner was a political activist and philanthropist in several other causes and public issues. In January 1952, Hefner left his job as a copywriter for Esquire after he was denied a \$5 raise. In 1953, he took out a mortgage, generating a bank loan of \$600, and raised \$8,000 from 45 investors, including \$1,000 from his mother ("Not because she believed in the venture," he told EI in 2006, "but because she believed in her son."), to launch Playboy, which was initially going to be called Stag Party. The first issue, published in December 1953, featured Marilyn Monroe from her 1949 nude calendar shoot and sold over 50,000 copies. (Hefner, who never met Monroe, bought the crypt next to hers at the Westwood Village Memorial Park Cemetery in 1992 for \$75,000.) After the Charles Beaumont science fiction short story "The Crooked Man" was rejected by Esquire magazine in 1955, Hefner agreed to publish the story in Playboy. The story highlighted straight men being persecuted in a world where homosexuality was the norm. After the magazine received angry letters, Hefner wrote a response to criticism where he said, "If it was wrong to persecute heterosexuals in a homosexual society then the reverse was wrong, too." In 1961, Hefner watched Dick Gregory perform at the Herman Roberts Show Bar in Chicago. Based on that performance, Hefner hired Gregory to work at the Chicago Playboy Club; Gregory attributed the subsequent launch of his career to that night. On June 4, 1963, Hefner was arrested for promoting obscene literature after an issue of Playboy that featured nude shots of Jayne Mansfield was published. The case went to trial and resulted in a hung jury.

"[A] breezy, charming chronicle." —Time Out New York The legendary founder of Playboy magazine, Hugh Hefner invites you into his world with Hef’s Little Black Book, an illustrated treasury of advice and maxims. The only book ever written by the iconic publisher and unabashed hedonist, Hef’s Little Black Book features a new, updated Afterword from Hef himself. Dedicated Playboy readers and fans of The Girls Next Door, the hit reality TV series that takes you behind the doors of the Playboy Mansion, will not want to miss this fantastic guide to the very good life from the man who has lived it better than anyone.

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the EI reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fair-y-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!

Following the remarkable success of the 50th year anniversary edition, we're pleased to present Playboy: Centerfolds, 60th Anniversary Edition. The content remains the same—every Centerfold from every issue. That's over 600 beauties with additional Centerfolds through the present to make this Playboy's most complete photographic volume to date. Hefner introduces the book and literary luminaries including Paul Theroux, Jay McInerney, and Daphne Merkin comment on the social mores and cultural climate of each decade. This chronological collection provides an unparalleled view of our evolving appreciation of the female form: from the fifties fantasy of voluptuous blondes to the tawny beach girls of the seventies to the groomed and toned women of today. Playboy: Centerfolds, 60th Anniversary Edition is a breathtaking tour de force.

The shocking, never-before-told story of the bizarre world inside the legendary Playboy Mansion—and, finally, the secret truth about the man who holds the key—from one of the few people who truly knows: Hef’s former #1 girlfriend and star of The Girls Next Door A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner’s #1 girlfriend. But like Alice’s journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn’t a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.

This title deals with the life and times of Hugh M. Hefner. This is an illustrated autobiography with highlights from Playboysquo;s first 25 years. Hugh M. Hefner presents an illustrated autobiography with chronological highlights from Playboysquo;s first 25 years. His personal life and career - from cartoon-drawing childhood to astonishing success with Playboy - are revealed in the most intimate portrait ever. Released on the 60th anniversary of the magazine, this sumptuous six-volume anthology celebrates the decadence, sophistication and wit of the original mensquo;s magazine and its creator. Hugh Hefnersquo;s Playboy highlights the extraordinary years from 1953 to 1979, with a selection of each erasquo;s spiciest centerfolds and writing by literary icons Gore Vidal, Norman Mailer, Jack Kerouac and Ray Bradbury, as well as some of the most important Playboy interviews, including Martin Luther King, John Lennon, Richard Nixon, and Roman Polanski. A wealth of never-before-seen ephemera from Hefnersquo;s personal archives includes original artwork, cartoons and correspondence, and a long autobiographical text about his youth, military service, early career as a cartoonist, numerous girlfriends and eventual success with Playboy. A vast selection of personal photos - many previously unseen - include behind-the-scenes shots from the Playboy Mansion, Playboy Clubs, and the Big Bunny jet. This is the definitive history of Playboy and its legendary founder.

Hugh Hefner, the Playboy of the Western World, was a visionary publisher, an empire-builder, an avatar of pleasure, and a pajama-clad pipe-smoker with a pre-coital grin. Although lauded by millions of avid readers, he was denounced by feminists for exploiting women, and defined as "the father of sex addiction," "a huckster," "a lecherous low-brow feeder of our vices," "a misogynist," and, near the end of his life, "a symbol of prapic senility." This ground-breaking biography, the latest in Blood Moon's award-winning string of outrageously unvarnished myth-busters, is the first published since Hefner's death at the age of 91 in 2017. It is a provocative saga, rich in tantalizing, often shocking detail—not recommended for the rigidly sanctimonious or for the faint of heart.

KENDRA BARES ALL Fans of the EI smash hit series The Girls Next Door fell in love with sporty Playboy beauty Kendra Wilkinson's care-free spirit, infectious laugh, and down-to-earth nature. Now that she's moved out of the world's most famous bachelor pad and into her own delightfully chaotic world on Kendra as wife to NFL star Hank Baskett and mother to their newborn son, we've watched her hilarious antics as she adjusts to domestic life. But how much do we really know about the fun-loving star? In this humorous and optimistic, sometimes heartbreaking, but always unflinchingly honest memoir, Kendra reveals the highs and lows of her extraordinary journey. She wasn't always the quintessential girl next door. Before she was a reality television superstar, Hugh Hefner's girlfriend, or one of the most popular Playboy cover models ever, Kendra was an athletic tomboy whose father walked out on her family when she was a little girl. She grew into a rebellious teenager with a serious drug habit before she quit cold turkey and beat the odds to graduate from a high school that almost didn't give her a second (or third, or fourth) chance. Following her rocky teenage years, an out-of-the-blue phone call from Hugh Hefner changed everything. Kendra dishes candidly about life in the Playboy Mansion: the sex, the parties, the show, and even her relationships with her Girls Next Door costars—Hef, Holly, and Bridget. She tells the true story about how she and Hank met and built a relationship in secret while she was still Hef's girl- friend and a public face of Playboy. Finally, she reflects on the slew of unexpected changes in the short space of a year that have brought her sliding into home from Playboy party girl to wife and mother with a blooming Hollywood career. If you think you've seen all of Kendra, think again. She's only warming up. . . .
