The authors of this text present the view that effective management of human resources is necessary to gain a competitive advantage. The four challenges that they face are the global challenge, the quality challenge, the social challenge and the high performance work challenge. This text provides students with the technical background needed to be a successful HR professional. The text also emphasizes how managers can more effectively acquire, develop, compensate and manage the internal and external environment that relates to the management of human resources.

As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 7th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

Human Resource Management: Gaining a Competitive Advantage was developed to teach students how to strategically overcome challenges within organizations, and gain a competitive advantage for their companies. All of the authors have won numerous teaching and prestigious research awards; this, along with their teamwork and consulting experience, delivers a learning program strong in depth and breadth, and current in research and practice simply not found in other products.

As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 5th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

resources.

Helps you teach students how to face and meet a variety of challenges within their organizations and how to gain a competitive advantage for their companies. This book emphasizes how the HRM function, as well as the management of human resources, can help companies gain a competitive advantage.

The Ninth Edition of Human Resource Management: Gaining a Competitive Advantage was developed to teach students how to face and meet a variety of challenges within their organizations and how to gain a competitive advantage for their companies. This product represents a valuable approach to teaching human resource management for several reasons: The content draws from the diverse research, teaching, and consulting experiences of the four authors who have taught human resource management to undergraduates, MBA students, and experienced managers and professional employees. The teamwork approach gives a depth and breadth to the coverage that is not found in other texts. The content emphasizes how the HRM function, as well as the management of human resources, can help companies gain a competitive advantage. The content discusses current issues such as social networking, talent management, diversity, and employee engagement, all of which have a major impact on business and HRM practice. Strategic human resource management is introduced early in the book and integrated throughout the text. Examples of how new technologies are being used to improve the efficiency and effectiveness of HRM practices are presented. Examples of how companies are evaluating HRM practices to determine their value are discussed.

Human Resource Management: Gaining a Competitive Advantage was developed to teach students how to strategically overcome challenges within organizations, and gain a competitive advantage for their companies. All of the authors have won numerous teaching and prestigious research awards; this, along with their teamwork and consulting experience, delivers a learning program strong in depth and breadth, and current in research and practice simply not found in other products.

"Our intent is to provide students with the background to be successful HRM professionals, to manage human resources effectively, and to be knowledgeable consumers of HRM products. Managers must be able to identify effective HRM practices to purchase these services from a consultant, to work with the HRM department, or to design and implement them personally. Human Resources Management: Gaining a Competitive Advantage, 12th edition, emphasizes how a manager can more effectively manage human resources and highlights important issues in current HRM practice"--
