Ideas of Order
Social threefolding is a social theory that originated in the early 20th century from the work of Rudolf Steiner. Of central importance is the distinction between three spheres of society - the political, economic, and cultural - and the conviction that society is healthier when, in their work together, these spheres are independent of one another. This conviction is born from "the fact that a sphere of life calls forth interests arising only within that sphere.

Social threefolding - Wikipedia
Social order means that there are social practices that ensure the maintainance and enforcement of appropriate ways of behaving. There are diverse theories about social order. For example, Marx argued that relations of production were the principle mechanism of social order. Durkheim argued that social order came from shared social norms.

Social Research Glossary
The society we live in consists of a large variety of personalities and identities. Social order is defined as the conservation, maintenance and enforcement of the "normal" ways of relating and behaving in a society. Therefore, the belief that social order derives solely from consensus and shared values stated by the functionalist are not sophisticated enough to explain the sustenance of social order.

from a sociological perspective: AS LEVEL: Social order is ...
social order Explanations of social order, of how and why societies cohere, are the central concern of sociology. The 'Hobbesian problem of order', for example, preoccupied those classical sociologists faced directly with the apparent consequences of industrialization and urbanization: the demise of community, disruption of primary social relationships, loss of authority on the part of ...

Social Order | Encyclopedia.com
He returned again and again to the subject of power and as Aronowitz points out, power was a central category which permeates Mills' social thought, especially the mechanisms used by the elites in economy and social institutions (Aronowitz 2003). "... the structural clue to the power elite today lies in the political order, that clue is the decline of politics as genuine and public debate ...
