In this "spellbinding memoir" (The Washington Post), a private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. "Beautifully written." Heather Ann Thompson, Pulitzer Prize-winning author of Blood in the Water In 1990, Ellen McGarrahan was a young reporter for the Miami Herald when she covered the execution of Jesse Tafero, a man convicted of murdering two police officers. When it later emerged that Tafero may have been innocent, McGarrahan was appalled by her unquestioning acceptance of the state's version of events. The revelation propelled her into a new career as a private investigator. Decades later, McGarrahan finally decides to find out the truth of what really happened in Florida. Her investigation plunges her back into the Miami of the 1960s and 1970s, a dangerous world of nightclubs, speed boats, and cartels, all awash in violence. She combs through stacks of court files and interviews everyone involved in the case. But even as McGarrahan circles closer to the truth, the story of guilt and innocence becomes more complex, and she gradually discovers that she hasn't been alone in her need for closure. Because whenever a human life is forcibly taken—by bullet, or by electric chair—the reckoning is long and difficult for all. A fascinating glimpse into the mind of a private investigator, Two Truths and a Lie is ultimately a deeply personal exploration of one woman's quest to find answers in a chaotic world.

Six friends. One killer. Who do you trust? A teen girl is missing after a night of partying; thirty years later, the discovery of her body reopens a cold case in "a scorching portrait of friendship

and its betrayal. (Nicci French). "This enjoyably chilling suspense tale . . . conveys both the thrills and the dangers of being a teenager on the brink of adult independence." "The New York Times Book Review On a scorching July night in 1983, a group of teenagers goes camping in the forest. When they wake in the morning the youngest of their group, Aurora Jackson, has disappeared. An exhaustive investigation is launched, but no trace of the teenager is ever found. Thirty years later, Aurora's body is unearthed in a hideaway that only the six friends knew about, and Jonah Sheens is put in charge of solving the long-cold case. Back in 1983, as a young cop in their small town, he had known the teenagers—including Aurora—personally, even before taking part in the search. Now he's determined to finally get to the truth of what happened that night. Sheens's investigation brings the members of the camping party back to the forest, where they will be confronted once again with the events that left one of them dead and all of them profoundly changed forever. This searing, psychologically captivating novel marks the arrival of a dazzling new talent, and the start of a new series featuring Detective Chief Inspector Jonah Sheens. Praise for *She Lies in Wait* "A novel that literally makes you hold your breath then gasp out loud." Val McDermid "She Lies in Wait is an atmospheric, deeply satisfying, well-written mystery whose resolution rings true after lots of false leads and blind alleys. A remarkably adept first novel. One hopes there will be many more to come." Daily Herald "The mystery intrigues and twists, offering enough red herrings and moments of police procedural to please fans of the genre." Kirkus Reviews (starred review) "What a marvel! A corkscrew-twisty, knife-sharp thriller—yet it doubles as a tender ode to loss and longing. Prepare to be haunted." A. J. Finn, author of the New York Times bestseller *The Woman in the Window*

In Birmingham a local journalist is found dead in his home. A puncture wound in his arm a testimony to his death by lethal injection, the cryptic note by his side: 'no more', seems at first to suggest suicide but Detective Inspector Tom Mariner has learned to take nothing at face value. There is something a little too staged about events, especially as just that evening Mariner had witnessed Edward Barham pick up a prostitute in a bar. As the police investigate the house further, they discover there is another witness to events at 34 Clarendon Avenue. Barham's younger brother, Jamie, is found in a cupboard under the stairs. It seems likely that Jamie Barham had witnessed his brother's killing but his severe autism has left him without the means to communicate what he has seen Mariner is determined to build enough of a relationship with Jamie to get to the truth. And the fact that this means spending time with Anna Barham, Jamie's new - and reluctant - guardian, is no great hardship. But is Edward's death related to his recent investigations into a local crimelord. Or is there something else, something that only Jamie can tell them - if he so chooses.
