Small World, Big
Market: Global
Business provides
geographical and
historical context to
international business
at a macro scale. The
book closes with a

Read Online International

brief examination of principles that can be used in conducting business across multiple cultures, and highlights the importance of personal character in conducting business./span

This book, first published in 1982, takes the interaction

Read Online International

between the domestic economy and the international trade in oil and, through the use of a consistent microeconomic framework, examines the conditions under which energy and related policies may or may not improve the performance of the U.S. economy, during both normal

Read Online International

periods and old
supply disruptions.
This title will be of
interests to students
of environmental
management.

Do you want to make
a true difference in
the world? Dr. Ron
Sider does. He has,
since before he first
published Rich
Christians in an Age

Read Online International

of Hunger in 1978.

Despite a dramatic reduction in world hunger since then, 34,000 children still die daily of starvation and preventable disease, and 1.3 billion people, worldwide, remain in abject poverty. So, the professor of theology went back to re-examine the issues

Read Online International

by twenty-first century standards. Finding that Conservatives blame morally reprehensible individual choices, and Liberals blame constrictive social and economic policy, Dr. Sider finds himself agreeing with both sides. In this new look at an age-old problem, he offers not

Read Online International

only a detailed explanation of the causes, but also a comprehensive series of practical solutions, in the hopes that Christians like him will choose to make a difference.

Summary 'The
Economic Security of
Business
Transactions' covers

Read Online International

such aspects as:
management in the
economic system;
commercial risk in
domestic and
international
transactions; an
assessment of
partners; unofficial
economy and the
state budget;
economic security
business; the role and
importance of law in

Read Online International

business. The book looks at the threats and risks arising from international trade and operating leading businesses, plus the role of the State. It examines the required new forms, methods and approaches for management. This has significant implications for the businesses

Read Online International

concerned and the
State's role. 'The
Economic Security of
Business

Transactions'
includes coverage of
internal company
factors, tax evasion
and tax avoidance;
the book also looks at
the level of
involvement of the
State (especially the
EU's Common

Read Online International

Market). This leads to abuses and distortions in the area of the competitiveness of enterprises and countries' competitiveness; it also changes the perception of contemporary economic security. This book is an attempt to point to the
