**International mindedness: connecting concepts to practice**

We explore other cultures and respect and value them. We understand the similarities and differences of others and this helps us appreciate the world. We are local and global citizens and have a responsibility to create positive change in the world. Through the IPC, WIPS takes a truly global perspective and international learning goals are aimed at providing each child with an international mindset to help them understand and celebrate each other's differences and similarities.

**International Mindedness - West Coast International**

At St. Michael's we define international mindedness as knowing we are all different and respecting all cultures, because we understand that we are part of the same global community. Our goal is to encourage St. Michael's students to be caring and compassionate so that they can help to create a better and more peaceful world through intercultural understanding and respect.
