Interpreter's Rx by Holly Mikkelson - Goodreads
2.0 out of 5 stars The Interpreter's Rx. Reviewed in the United States on January 15, 2012. Verified Purchase. The book was in good condition, but too expensive. It didn't include the CDs that come with the book. I wished I have known that the Cds were not included with the book. For the price that I paid for this used book I would had ...
