The sixth edition of Guide to Business Law offers a clear, practical and contemporary introduction to the basic principles of commercial law, addressing a broad spectrum of content which includes all modern aspects of the field. The sixth edition is updated and revised, and is more concise and accessible than ever before. Extensive examples, case illustrations and assessment materials are provided to enhance understanding and facilitate practical application.

Hames and Ekern's Introduction to Law , 4/e will teach students the basic legal concepts related to substantive and procedural law, introduces them to cases, statutes, and the constitution, and develops their legal vocabulary and analytical skills. A new chapter on constitutional law, expanded coverage of employment and environmental law, and information on technology makes this an excellent resource for any Introduction to Law course for all disciplines of study including pre-law, legal studies, and business programs. Using this text, your students will learn how to develop their own critical-thinking skills, read high-interest cases, expand their legal vocabulary and discuss case law and issues impacting today's legal system.

This book is exceptional in the sense that it provides an introduction to law in general rather than the law of one specific jurisdiction, and it presents a unique way of looking at legal education. It is crucial for lawyers to be aware of the different ways in which societal problems can be solved and to be able to discuss the advantages and disadvantages of different legal solutions. In this respect, being a lawyer involves being able to reason like a lawyer, even more than having detailed knowledge of particular sets of rules. Introduction to Law reflects this view by focusing on the functions of rules and on ways of arguing the relative qualities of alternative legal solutions. Where 'positive' law is discussed, the emphasis is on the legal questions that must be addressed by a field of law and on the different solutions which have been adopted by, for instance, the common law and civil law tradition. The law of specific jurisdictions is discussed to illustrate possible answers to questions such as when the existence of a valid contract is assumed.

Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. INTRODUCTION TO BUSINESS LAW, 6E is packed with current examples and real scenarios that bring law to life for today's business learner or professional. Extremely reader-friendly, this engaging presentation uses conversational writing to explain complex topics in easy-to-understand language. Memorable real-world stories help the authors illustrate how legal concepts apply to everyday business practice. This edition emphasizes the digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Encompassing all the major fields of legal practice, Introduction to Turkish Law provides an essential understanding of the Turkish legal system, so that users can become familiar with law and legal processes in Turkey and pursue further research on specific Turkish legal matters. Twelve chapters, written by Turkish experts in their areas of specialty, focus on particular fields and provide also the Turkish equivalents of English terminology. The book covers the following topics: • sources of Turkish law; • constitutional law; • administrative law; • legal persons and business associations; • family and inheritance matters; • property; • obligations; • criminal law; and • the laws of civil and criminal procedure. The sixth edition reflects the continuing adaptation of Turkish law to international standards – especially in light of Turkey's hopes for membership in the European Union. These aspirations forced the Turkish lawmakers to modify some basic laws intensively or change them entirely. A short updated list of books and articles in English on Turkish law is appended.

This sixth edition has been completely revised and updated to take account of many new developments. It covers a variety of topics, from diplomatic immunity to human rights, and from recognition of government to war crimes. The author is particularly concerned with the relationship between international law and international politics, and he devotes special attention to such controversial topics as self-determination and the expropriation of foreign-owned property where the conflicting interests and attitudes of different states are most apparent.

Using an innovative storytelling style to bring cases and legal concepts to life, INTRODUCTION TO BUSINESS LAW, 5E presents a full range of business law topics in a series of brief, quick-reading chapters. The text delivers succinct coverage of core business law topics, emphasizes the business applications of chapter concepts, and includes summarized cases to illustrate the point of law. The fifth edition includes all-new chapters on LLCs and employment discrimination, new Case Questions, and a new emphasis on social media issues throughout. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. ESSENTIALS OF BUSINESS LAW, 6th EDITION is packed with current examples and real scenarios that bring law to life for today's business learner or professional. Extremely reader-friendly, this engaging presentation uses conversational writing to explain complex topics in easy-to-understand language. Memorable real-world stories help the authors illustrate how legal concepts apply to everyday business practice. Since the publication of its first edition, this textbook has become the definitive student introduction to the subject. As with earlier editions, the seventh edition gives a clear understanding of fundamental legal concepts and their importance within society. In addition, this book addresses the ways in which rules and the structures of law respond to and impact upon changes in economic and political life. The title has been extensively updated and explores recent high profile developments such as the Civil Partnership Act 2005 and the Racial and Religious Hatred Bill. This introductory text covers a wide range of topics in a clear, sensible fashion giving full context to each. For this reason An Introduction to Law is ideal for all students of law, be they undergraduate law students, those studying law as part of a mixed degree, or students on social sciences courses which offer law options.
