The first block introduces you to the field of translation studies and covers linguistic and functionalist approaches to translation. In particular, it will focus on the idea that translation is a purposeful activity performed by experts. Block 2 - Translation in Society This block focuses on translation as norm-governed behaviour.

L801 - Introduction to Translation Theory and Practice

History is often taught as part of primary and secondary education, and the academic study of history is a major discipline in university studies. Herodotus, a 5th-century BC Greek historian is often considered (within the Western tradition) to be the "father of history," or, by some, the "father of lies."

History - Wikipedia

Reviews " This Introduction to the Study of Paul, written by one of fairest and most judicious of scholars, is a handy point of access into Pauline studies, offering a trustworthy overview of current issues in the interpretation of Paul and his letters. " - Bruce Longenecker, Baylor University, USA " This slim but substantive volume concisely surveys the many questions raised by Paul's ...

An Introduction to the Study of Paul (T&T Clark Approaches)

A feasibility study asks whether something can be done, should we proceed with it, and if so, how. A pilot study asks the same question but has a specific design feature: in a pilot study a future study, or part of a future study, is conducted on a smaller scale.
