~~Islam, Politics and Change~~ OAPEN Society summary. The decades-long rule of President Suharto in Indonesia was ended by violent protests throughout the country in the spring of 1998. Following Suharto's resignation, Indonesia successfully made the transition from an authoritarian state to a democracy, and this book explores the effects of that transformation on Islamic political organizations in Indonesia, which, for the first time in forty years, were legally allowed to campaign and promote their agenda.

Political aspects of Islam are derived from the Quran, hadith literature, and sunnah, history of Islam, and elements of political movements outside Islam. Traditional political concepts in Islam include leadership by elected or selected successors to Muhammad known as Caliphs; the importance of following Islamic law or Sharia; the duty of rulers to seek Shura or consultation from their subjects; and the importance of rebuking unjust rulers. A significant change
