From 1974, this is a rare battery powered all-electric riding lawn tractor sold by SEARS, complete with 36" dual-blade mowing deck. Internet rumor has it that only approx 500 units were made total. It hasn't run in a long while but I think all the pieces are still there, batteries NOT included. | eB...

The following chart shows the available options for John Deere Riding Lawn Equipment and suggests which solution might be the best in each case. The entire description above applies to the blade with 125-cm (49-in.) quick-hitch. If the tractor is equipped with driveline and corresponding quick-hitch, a tractor with this quick-hitch can carry either the blade or the 120-cm (47-in.) broom.
