## **What is Preventive Medicine? | The Daily Dose**

Founded in 1972 by Ernst Wynder, Preventive Medicine is an international scholarly journal that publishes original articles on the science and practice of disease prevention, health promotion, and public health policymaking. Preventive Medicine aims to reward innovation. It will favor insightful observational studies, thoughtful explorations of health data, unsuspected new angles for existing hypotheses, robust randomized controlled trials, and impartial systematic reviews.

## **Preventive Medicine - Journal - Elsevier**

While the JBS 2 guidelines were being developed a national policy authorising pharmacists to provide low dose simvastatin (10 mg) to individuals at moderate CVD risk was adopted in this country. 10 This policy applies to all men aged 55 years and over without other risk factors, and to men aged 45–54 or women aged ? 55 years with one or more risk factors (current smoker, obese, family history of premature CHD or of Asian origin).
