Josephine: The Dazzling Life of Josephine Baker is a middle-grade biography of Josephine Baker, the African-American dancer who made it big in Paris in the 1920 ' s when this country was too racist to accept a "colored" super-star. Patricia Hruby Powell's Josephine, told in blank verse, is a wild dance, like Josephine ' s life. And the author, who has been a solo concert dancer throughout the Americas and Europe, seems to be the right person to tell the story.

Josephine is a free-verse biographical poem that pulls its inspiration from the life of a fascinating performer and civil rights pioneer. Josephine Baker grew up in the shantytowns of St. Louis, often considered the home of ragtime music. At only 13, she left home to travel with a dance troupe, honing her silly on-stage persona and earning pennies.
