### Know Your Traffic Signs

Traffic signs play a vital role in directing, informing and controlling road users' behaviour in an effort to make the roads as safe as possible for everyone. A knowledge of traffic signs is there essential, not just for new drivers or riders needing to pass their theory test, but for all road users, including experienced professional drivers. This fully updated edition of the publication supersedes the previous 4th edition (1995, ISBN 09780115516122) and contains information designed to illustrate and explain the vast majority of traffic signs the road user is likely to encounter.

The Highway Code rules are essential reading for anyone who uses the road. This edition contains: new rules and details of changes in the law; expanded sections giving advice to cyclists and horseriders; and a section on traffic law, its effect on road users and penalties for the main offences. It includes a 16-page supplement on The Theory of Safe and Responsible Driving, which contains additional information for the theory element of the driving test.

AA Book of Road Signs is an ideal companion for driving in the UK and builds on the information provided in the AA's edition of "The Highway Code". The book is divided into 17 clear and easy-to-use sections covering warning signs; regulatory signs; speed limit signs; low bridge signs; level crossing signs; tram signs, bus and cycle signs; pedestrian zone signs; on-street parking; traffic calming; motorway signs; direction and tourist signs; signs for cyclists and pedestrians; information signs; tidal flow lane control; pedestrian, cycle and equestrian signs; and, road works and temporary signs. "The AA Book of Road Signs" also contains a short guide about the best ways to plan a route.

The AA has an excellent track record with driving test titles and is the biggest seller of books in the genre after the DSA (Driving Standards Agency). The Highway Code includes information on roads and road markings, motorways, traffic signs, documentation, the road user and the law. Know Your Road Signs is divided into seventeen types of signs with information on all signs within each type. The guide also features AA information on planning your route.

Empower backseat passengers to become informed backseat drivers with this road sign decoder featuring 35 shaped road signs! From road signs around the neighborhood, like "School Crossing" and "Playground," to signs you zoom past on the highway, this hefty reference board book highlights and explains 35 road and highway signs for the youngest readers on the go. The shaped pages make each sign tactilely memorable, and the carefully crafted one-sentence explanations will easily guide young readers as they contextualize the world that zips past their backseat windows.
