Language And Power By Norman

In this twenty-fifth anniversary edition, Norman Fairclough includes a substantial new introduction and brings the discussion up-to-date. He shows both the importance of the book in the development of critical discourse analysis over the past three decades and how language and power relations have changed due to major socio-economic changes.

The question of language and power is still important and urgent in the twenty-first century, but there have been substantial changes in social life during the past decade which have somewhat changed the nature of unequal power relations, and therefore the agenda for the critical study of language. In this new edition, Norman Fairclough brings ...

What are Norman Fairclough's ideas on language and power

...

NORMAN FAIRCLOUGH shows that many interactions are 'unequal encounters'; that language choice is created and constrained by certain social 'power' situations or 'power type' discourse of kinds accepted as 'normal' for that kind of encounter, e.g. a manager/worker or doctor/patient conversation (or, in a text, the use of stereotypes or other ideological ideas).

Language and Power - English Language Revision

Fairclough's point, then, and how the book ends, is to call for critical language analysis to be taught in schools so that
