La segunda parte del Best Seller que cambió la historia de la literatura Venezolana contemporánea, nos muestra a Juan Planchard saliendo de la cárcel para enfrentar una misión llena de riesgos, que lo llevará a lo más profundo del conglomerado de crimen internacional en el que se convirtió Venezuela. Acción, política, sexo, drogas, ideología y humor; se combinan de manera desquiciada, en una realidad mucho más dura: A finales del 2017, el hambre se ha apoderado de la nación. La hiperinflación ha convertido en desperdicio a la moneda nacional. Millones de Venezolanos escapan del país en busca de una vida mejor. El gobierno lo está vendiendo todo para mantenerse a flote. La mitad de la oposición está comprada y no es fácil distinguir quiénes son los que no están. Sólo Juan Planchard tiene la pericia necesaria para navegar los mundos que comparten el infierno creado por los herederos de El Comandante. Caracas, Moscú, París, California, Beirut, Panamá, Teherán; todos miran hacia un hombre. Su lealtad es un enigma y su venganza será completamente inesperada. Jonathan Jakubowicz nació en Caracas, Venezuela. Cineasta de profesión, formado en la Escuela de Comunicación Social de la Universidad Central de Venezuela y en la NY Film Academy. Escribió y dirigió "Secuestro Express", la primera película venezolana en ser distribuida a nivel mundial por un estudio de Hollywood, y la cinta más taquillera de la historia de su país. Su segunda película, "Manos de Piedra", conquistó a las audiencias del Festival de Cannes junto a Robert De Niro y Edgar Ramírez. Su tercera película, "Resistencia", protagonizada por Jesse Eisenberg y Ed Harris, fue distribuida en el mundo entero. "Las Aventuras de Juan Planchard", su primera novela, se convirtió en el libro en Español más vendido en Amazon por varias semanas, y en el que más copias ha vendido en Venezuela en los últimos veinticinco años. "La Venganza de Juan Planchard" es su segunda novela.

"Las Aventuras de Juan Planchard" es un viaje a lo más profundo del robo a Venezuela, el asalto más grande de la historia. La oligarquía bolivariana se revela en su esencia y pasión por el sexo, las drogas y la revolución. Aventura, acción, suspenso, drama, comedia; todos los géneros convergen en esta historia trepidante y sorprendente, con un final completamente inesperado que promete una saga literaria de varias entregas. Provocativa y provocadora, Las Aventuras de Juan Planchard es un texto necesario que moverá conciencias y divertirá a todos aquellos que se atrevan a bucear sus páginas. "The Adventures of Juan Planchard" (Las Aventuras de Juan Planchard) is a journey through the underbelly of the sexiest form of socialism. The Venezuelan Bolivarian Oligarchy is responsible for the biggest robbery in the history of mankind, and the lifestyle of one of their own, Juan Planchard, is irresistible to follow. Action, adventure, suspense, drama, comedy, all genres blend in a fast paced tour de force that will surprise you until its very last words. You will not understand Hugo Chavez and his revolution until you meet Juan Planchard. And you will never forget or forgive the fun you had in the process.

From the New York Times bestselling author of The End of Power comes an edge-of-your-seat political thriller about rival spies, dangerous love, and one of history's most devastating revolutions. Venezuela, 1992. Unknown colonel Hugo Chávez stages an ill-fated coup against a corrupt government, igniting the passions of Venezuela's poor and catapulting the oil-rich country to international attention. For two rival spies hurriedly dispatched to Caracas--one from Washington, DC, and the other from Fidel Castro's Cuba--this is a career-defining mission. Smooth-talking Iván Rincón of Cuba's Intelligence Directorate needs a rebel ally to secure the future of his own country. His job: support Chávez and the revolution by rallying the militants and neutralizing any opposing agents. Meanwhile, the CIA's Cristina Garza will do everything in her power to cut Chávez's influence short. Her priority: stabilize the greatest oil reserves on the planet by ferreting out and eliminating

Cuba's principal operative. As Chávez surges to power, Iván and Cristina are caught in the fallout of a toxic political time bomb: an intrepid female reporter and unwitting informant, a drug lord and key architect in Chávez's rise, and personal entanglements between the spies themselves. With everything at stake, the adversaries find themselves at the center of a game of espionage, seduction, murder, and shifting alliances playing out against the precarious backdrop of a nation in free fall. A thrilling fictional story based on unimaginable real-life events.

This whiskey-fueled road trip gives us "a rich, raw speech map ... of a generation whose destiny lies elsewhere."--Alberto Barrera Tyszka, from the Afterword.

Like most women, I was unaware that I was a victim of domestic violence. My husband had managed to diminish me through years of psychological and physical abuse and even through the use of drugs. However, despite being almost destroyed, I managed to rebuild my dignity and demonstrate my innocence. I loved my husband. I never imagined that he could harm me or that he would end up trying to destroy me. Nor did I think, when he started hurting me, that this could be intentional, since all the aggressors blame their victims. In my case, the victimization was so effective that, after each assault, I would recreate the incident to see what I had done to make my husband react in this way. This is my story, that of a battered and immigrant woman who found no way to escape or hide; A Catholic who believes in family and who fought to keep it for the good of her children. However, in the end, and precisely for them, she was forced to leave that vicious marriage to save herself and them. Carmen Maria Montiel

There is a political machine that works day and night, that has studied history and human behavior modifying it for this new era. In this book, we talk about the Latin American problem and how each step has been planned and executed, in a professional and organized way, in order to achieve the domain of each individual and thus subject it to its ends. The scientific dictatorship is a project that tends to be modified according to the geopolitics of each country and that points to the use of psychological and physical methods to achieve the complete indoctrination of its citizens, making them all submissive and resigned to the dictator. To achieve this, a set of perfectly coordinated techniques and strategies are implemented and they are readjusted according to the reaction of the citizens. To do this, social engineering is used by overlapping neurolinguistic programming, emotional intelligence, and body language. The author exposes the manipulations of the dictators who rule both in Venezuela and in other Latin American countries. The intention of the book is to bare the strategies of the system; It is a book written for those who accept objectivity and are prepared for the change that is coming.

After reflecting on his support of a losing Democrat for president, George Soros steps back to revisit his views on why George Bush's policies around the world fall short in the arenas most important to Soros: democracy, human rights and open society. As a survivor of the Holocaust and a life-long proponent of free expression, Soros understands the meaning of freedom. And yet his differences with George Bush, another proponent of freedom, are profound. In this powerful essay Soros spells out his views and how they differ from the president's. He reflects on why the Democrats may have lost the high ground on these values issues and how they might reclaim it. As he has in his recent books, *On Globalization and The Bubble of American Supremacy*, Soros uses facts, anecdotes, personal experience and philosophy to illuminate a major topic in a way that both enlightens and inspires.

Told with gripping intensity, *It Would be Night in Caracas* chronicles one woman's desperate battle to survive amid the dangerous, sometimes deadly, turbulence of modern Venezuela and the lengths she must go to secure her future. In Caracas, Venezuela, Adelaida Falcón stands over an open grave. Alone, she buries her mother—the only family she has ever known—and worries that when night falls thieves will rob the grave. Even the dead cannot find peace here. Adelaida had a stable childhood in a prosperous Venezuela that accepted immigrants in search of a better life, where she lived with her single-mother in a humble apartment. But now? Every day she lines up for bread that will inevitably be sold out by the time she reaches the registers. Every night she tapes her windows to shut out the tear gas raining down on protesters. When looters masquerading as revolutionaries take over her apartment, Adelaida must make a series of gruesome choices in order to survive in a country disintegrating into anarchy, where citizens are increasingly pitted against each other. But just how far is she willing to go? A bold new voice from Latin America, Karina Sainz Borgo's touching, thrilling debut is an ode to the Venezuelan people and a chilling reminder of how quickly the world we know can crumble.

This book will provide you with a wealth of information about the three segments of the CSWP CORE exam. The intended audience for this book is a person who has passed the CSWA exam and who has eight or more months of SOLIDWORKS training and usage. This guide is not intended to teach you how to use SOLIDWORKS, but is written to provide you with CSWP exam tips, hints and information on sample questions and categories that are aligned with the exam. This guide is written to help you take and pass the CSWP exam. The book is organized into three chapters. Each chapter is focused on a segment of the CSWP CORE exam. This is not intended to be a step-by-step book. Goals of this book The primary goal is not only to help you pass the CSWP CORE exam, but also to ensure that you understand and comprehend the concepts and implementation details of the process. The second goal is to provide the most comprehensive coverage of CSWP CORE exam related topics available, without too much coverage of topics not on the exam. The third and ultimate goal is to get you from where you are today to the point that you can confidently pass all three segments of the CSWP CORE exam. Who this book is for The intended audience for this book and the CSWP exam is a person who has passed the CSWA exam and who has eight or more months of SOLIDWORKS training and usage. However, passing the CSWA exam is not a prerequisite for taking the CSWP exam if you are a commercial user in industry. For students that take the CSWP exam through their school, you must first pass the CSWA exam.
