patchwork and quilting for beginners. Covers all aspects of quilting from piecing and patchwork to quilting and binding. Includes quick and clever techniques with step-by-step illustrated instructions. Choose from 16 small and large projects including bed quilts, bags and wall hangings. Features a quilting glossary explaining common quilting and sewing terms.

Learn how to make beautiful quilts with this comprehensive guide to patchwork and quilting for beginners. Covers all aspects of quilting from piecing and applique to quilting and binding. Choose from 16 simple projects, each focusing on a different technique, from bags and cushions to table mats, wall hangings and bed quilts. Clear illustrations and step-by-step instructions accompany each project, making them all suitable for even a complete novice. The book also includes a quilting glossary explaining common quilting and sewing terms.

Learn to Quilt is the perfect guide to patchwork quilting for the complete beginner, starting with a really basic hand quilt, then progressing to simple rotary cutting and machine piecing and then to slightly more complex block patterns and some simple design work. This book teaches new skills with concise step-by-step photographs, and provides projects for fabulous quilts to display in contemporary homes. Each project is illustrated with clear and colorful diagrams. A whole range of delightful patchwork quilts for the home can be made following the techniques explained, from a simple baby's cot quilt to an eye-catching throw or a colorful and cozy cushion quilt.

You've always wanted to try quilting, and now it's easier than ever! In A Beginner's Guide to Quilting, longtime quilter and bestselling author Christine Mann makes it easy to master the beginning principles of quilting with 6 easy starter projects: placemats, table runners, and 4 full-size quilts. Packed with full-color photographs and tons of creative inspiration, every detail of the book from the step-by-step photographed instructions to the lay-flat spiral binding is designed specifically with the beginning quilter in mind. Readers will also find a brief history of quilting and helpful guides on cutting and coordinating colors, plus delightful extras like templates and quick-reference guides in the back pocket of the book. Even better, each book comes with a pack of 4 quilt labels so you can proudly stitch your very own labels onto your first creations!

Learn about the tools, supplies, and techniques you need to create simple patchwork quilts. Eight small projects are provided to help you practice your new hand-or machine-stitching skills.

Step -by-step instructions with photos and diagrams for learning to quilt in six easy lessons.
