When there's no one else. Let me be the one you need. When your hope goes out. Like a ship at sea. If it don't come back. Oh, let me be the one you need. Rest your head here, pull me closer. I'll hold you tight while you let go, girl. I could love you if you just let me.

Let Me Be The One is book one of the Let Me series by Lily Foster. It is a really good book about the ups and downs of relationships during college. How do you know if it is true love or not? Tom Farrell had a crush on Darcy Donovan from the first time he had seen her.
