7 Ideas To Leverage Your Customer Data To Maximize Sales ...

However, in recent years, savvy retailers have learned how to use showrooming to increase revenue. More and more success stories feature traditional retailers aligning their digital and brick-and-mortar operations, so each drives sales for the other. Instead of driving customers away, they 're building brand loyalty by creating tailor-made experiences online and in person.

How to Leverage Showrooming Behavior to Increase Revenue

If you want to maximize profits with financial leverage, the key is to only borrow money that you believe can lead to increases in earnings beyond the full cost of the loan. Put more technically, your additional earnings before interest and taxes (EBIT) must be larger than the principal and interest on the business loan.
