Richard Holloway Little History Religion Richard Holloway Richard Holloway does not pull any punches in laying bare some of the problems religion had brought to the world but neither is he complacent about the triumph of secularism. In his clear and non technical style the author outlines the development of religions as they occurred in the timeline of history.

A Little History of Religion (Little Histories): Amazon.co ... Holloway half accepts Armstrong 's point, but is less inclined to absolve religion itself. It has still caused, he insists, some of the worst violence in history. " So if we mean by God the loving...

A Little History of Religion by Richard Holloway — review ... Richard Holloway retells the entire history of religion—from the dawn of religious belief to the twenty-first century—with deepe. For curious readers young and old, a rich and colorful history of religion from humanity 's earliest days to our own contentious times. In an era of hardening religious attitudes and explosive religious violence, this book offers a welcome antidote.

A Little History of Religion by Richard Holloway Ranging far beyond the major world religions of Judaism, Islam, Christianity, Buddhism and Hinduism, A Little History of Religion also examines where religious belief comes from, the search for meaning throughout history, today 's fascinations with Scientology and creationism, religiously motivated violence, hostilities between religious people and secularists, and more. Holloway proves an empathic yet discerning guide to the enduring significance of faith and its power from ancient times ...

Book review: A Little History Of Religion by Richard Holloway The tactics of Moses and the promises of Jesus are used to make the world a better place. Religion is no longer used as an opiate to dull the pain of injustice and inequality but as a stimulant to overcome it. That 's what keeps many people in the religion game. " Richard Holloway, A Little History of Religion

Richard Holloway Quotes (Author of A Little History of ... Taken on its own terms, this is a fascinating and informative book. Holloway is knowledgeable, witty and insightful and especially makes the sometimes complex history of Christianity accessible and understandable to the general reader.
