Deliverance methods and helpful examples are given, as well as a listing of demons common to the child's world.

Many modern Christians are now agreeing that we should take Jesus' command to cast out demons more seriously than we have in recent years. But how do we do it? Where do we start? This practical, down-to-earth book shows us how. From Doris Wagner, one of the leading authorities on biblical deliverance in North America, this manual teaches Christians how to take and break soul ties; how to break bondages of rejection, addiction, lust, and more; and how to set free those whom the enemy has held captive.

The misconception on the subject of soul ties within the Body of Christ has put us in a place of vulnerability towards the deceptions and attacks of the enemy. Nowadays some people are knowledgeable on the subject of soul ties in relation to sexual soul ties but most people are completely oblivious to the emotional, psychological and spiritual side of soul ties. Being considerably unaware that not all soul ties are formed through sex but some originate through other means that are subtle and least expected. Hence, this book aims to reveal and expose how soul ties can form spiritually, emotionally, mentally or psychologically without you realising. Using the Word of God and help of the Holy Spirit, this book discusses what exactly a soul tie is, ways they form, the manipulative effects they can have on you whilst giving prayerful action plans you can take to sever through them. This manual book is perfect for those who want to grow in Christ and be freed from soul ties.

A manual to guide in healing and deliverance from diseases, assisting in the following steps: 1. First, we should seek GOD for deliverance and healing. This means applying the principles of casting out demons and anointing with oil for healing. 2. Second, we should fast and pray to the LORD for our deliverance and healing. We should allow time for GOD to answer us. This may not be a short period of time. 3. Third, if GOD does not heal or deliver us from the infirmity, seek the medical profession for curative medicines or even operations. 4. Fourth, have someone take us through deliverance (or do self deliverance) for any spiritual effects of taking pharmaceuticals or of the cutting of the flesh. Break and return evil curses that may have been put upon you.

This book contains powerful warfare prayers and decrees taken from Scripture that will break the powers of darkness and release the blessings and favor of God.
