Milady's Master Educator, Third Edition provides the backbone of the instructor theory for the beauty and wellness educator. The text presents educators with the teaching skills and educational judgments necessary to become an effective and successful instructor. The content in Master Educator is designed for flexibility, being used in programs ranging from a basic overview of instructor training to programs that require more advanced teaching techniques. Presented in a conversational, easy-to-understand style, it uses many pedagogical features to emphasize important information and powerful teaching techniques. Master Educator serves the future instructor as a valuable, fundamental learning tool, and the seasoned instructor with the strategies needed to adapt to the changing landscape of classroom learning. Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Contains brief vignettes of elementary school physical education teachers demonstrating some of the teaching skills described in the book.

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment.
