The records of criminals held at The National Archives are primarily the records of criminal courts. We hold many records of the central courts of law in England and Wales, of the county assize courts up to 1971 and of the Crown courts after that (but very little, and in some cases nothing, from the last 20 to 30 years).

Mick Foley is a nice man, a family man who loves amusement parks and eating ice cream in bed. So how to explain those Japanese death matches in rings with explosives, golden thumbtacks and barbed wire instead of rope? The second-degree burn tissue? And the missing ear that was ripped off during a bout in which he kept fighting? Here is an intimate glimpse into Mick Foley's mind, his history, his work and what some might call his pathology. Now with a bonus chapter summarizing the past 15 months-from his experience as a bestselling author through his parting thoughts before his final match. A tale of blood, sweat, tears and more blood-all in his own words-straight from the twisted genius behind Cactus Jack, Dude Love, and Mankind.

In Foley Is Good, Mick Foley -- former Commissioner of the World Wrestling Federation, aka Cactus Jack, Dude Love, and Mankind -- picks up right where his smash #1 New York Times bestseller Have a Nice Day! left off, giving readers an inside look at the behind-the-scenes action in the Federation. With total honesty and riotous humor, Mick Foley shines a spotlight into some of the hidden corners of the World Wrestling Federation. From the ongoing controversy surrounding "backyard wrestling" to the real story behind his now-infamous "I Quit" match with The Rock, Foley covers all the bases in this hysterically funny roller-coaster ride of a memoir.

From beloved #1 New York Times bestselling author and WWE Hall-of-Famer Mick Foley comes a Yuletide tale like no other. After a lifetime of putting his body on the line to entertain his dozens (and dozens!) of fans, the Hardcore Legend is paying the price - physically and emotionally. When the final bell on Mick's career tolls, not in the ring, but in a neurologist's office, his future seems far from merry and bright. Until Mick is given the chance to become Santa Claus - not dress up, not pretend, but become Santa - allowing him to rediscover the joy of performing. Fully committing to his new mission, Mick details the drastic measures he takes to keep the Christmas magic alive for his young children, as well as the many children he meets in his travels who are in need of some Christmas Spirit. In order to fully embrace his new red-suited responsibilities, Mick enters the fascinating world of the Santa subculture, where he hones his Christmas craft while worrying he'll be excommunicated from the Santa world for, among other things, his Santa character being run over by a motor vehicle on Christmas Eve on WWE television. And with the help of an unlikely elf - 8-time Grammy award winner Norah Jones - Mick learns valuable lessons about the real power and responsibility of wearing the red suit. Because true success as Santa comes not by appearing in front of millions on TV, but by touching peoples' lives by creating "Santa moments" for both the young and the young at heart. Part jolly memoir, part whimsical ode to a lifetime love affair with Christmas, part solemn tribute to the power of finding the best part of oneself in the unlikeliest of places, Saint Mick offers the magic of Christmas on every single page. With a foreword by Stephanie McMahon, and featuring never-before-seen photos of the whole Foley family!

What does it feel like to fall through a flaming table for the very first time? Or the umpteenth time for that matter. In the fresh off-the-cuff style that has earned him legions of admirers and made his previous wrestling books massive worldwide bestsellers, Foley gives readers a blow-by-blow first-hand account of exactly what it is like to step into the wrestling ring. As a champion wrestler he was known both for his tenacity in the ring and for the fearlessness which led him to take extraordinary risks in any number of groundbreaking dangerous stunts. And as an industry insider he offers a unique perspective on what it was like to perform at that level which readers will never find anywhere else. In *HARDCORE DIARIES* Mick Foley will take fans right inside a hardcore match, vividly recreating his experiences, and revealing how mentally and physically preparing for this extremely challenging sport has helped him become the legend he is today.

The undisputed king of the literary ring is back with another handwritten, hardcore home run. Forget the ghost writer and the computer keyboard - this mesmerizing memoir is straight from the pen and notebook paper of the Hardcore Legend, Mick Foley, chronicling the heart-pounding build-up to "Lockdown", one of the most important matches of his long and storied career. Foley's every limit is tested, as he battles back the formidable tag-team of Father Time and Mother Nature - overcoming a host of injuries and serious self-doubts to get back in the ring with one of his all-time favorite foes.

With his trademark blend of wit and wisdom, wildness and warmth, Foley dishes previously untold stories from his remarkable life, including his transition from WWE to TNA, his ill-fated stint as a television commentator, his tumultuous relationship with Vince McMahon, his thoughts on performance enhancing substances in sports, the troubling list of wrestlers dying way too young, and his soul saving work in Sierra Leone. Raw, dynamic, and unabashedly honest, COUNTDOWN TO LOCKDOWN charts Foley's wrestling rebirth, and rise to heights that his fans thought he would never see again. Publisher's Note: 100% of the advance for this book has been donated to Child Fund International and RAINN.

Come one, come all, to Wrescal Lane. It's the bestest place to see your favorite WWE Superstars as kids like you and me! First there's young Mick Foley, with missing teeth and dirty shirt. One look at him will tell you he's not afraid of getting hurt! Kurt Angle thinks he's brave and strong; he's really quite the boaster -- till he visits Mr. McMahon's new theme park and sees the roller coaster! Triple H calls himself The Game; he's good at any task. Kane's a real big, scary kid. Why does he wear that mask? Check out Lita and Matt Hardy, always leapin' before lookin'. And The Rock keeps shouting for everyone to smell what he is cookin'! Say hi to Stacy Keibler; she's cute and easy to like. But what's up with Al Snow and that doll's head on his bike? Look, there's Stephanie McMahon, selling some of Dad's old things. Uh-oh, those mean ol' Dudley Boys gave Shane a bruise that stings! These kids still have a lot to learn about playing nice and sharing. Perhaps we can learn with them to become a bit more caring! Now get ready for lots of fun, come shine or come rain, as you read over and over these Tales from Wrescal Lane!

The Miz has bullied all the children of Wrescal Lane without getting dropped from Santa's list, so when a new boy in class, CM Punk, resists, the Miz tries to get him in trouble with Santa.
