Nonprofit organizations' boards are justifiably passionate about their causes and eager to help their organizations. However, in today's increasingly regulated climate, board members, who come from diverse backgrounds and may have little financial expertise, can feel overwhelmed by the regulations that are their duty to follow. The Best of Boards: Sound Governance and Leadership for Nonprofit Organizations provides not-for-profit board members and financial managers with the essential fiduciary knowledge and indispensable leadership guidance that they need to meet the challenges of the current not-for-profit environment. This book contains: Financial and ethical guidance for real-life situations Practical leadership advice for novice and experienced board members Assistance for not-for-profit managers tasked with governance challenges Tools, checklists, and templates based on common sense management techniques This publication will build ethically sound management knowledge in not-for-profit board members so that they can ensure the compliance and, ultimately, the success of their organization.

The ultimate money-saving tax guide for the small business owner J.K. Lasser's Small Business Taxes is designed to help business owners make sense of their taxes and file correctly, on time, without over- or under-paying. Maximize your bottom line with a complete listing of all available business expense deductions, small business tax planning strategies, and the most up-to-date tax laws and requirements, including

plain-English instructions on how to qualify, how to claim, and how to file. There's an e-supplement with the latest tax developments from the IRS and Congress. From employee wages and advertising, to repairs, rents, debts, and more, this book answers all of your questions about your 2016 filing. Stop wading through mountains of paperwork and browsing sketchy tax advice—this book puts America's most trusted tax advisors to work for your business. Detailed guidance includes recordkeeping requirements, dollar limits, sample forms, and checklists, and even shows you exactly which line on which form needs what information—and where to find it. Business taxes have so many moving parts that putting it all together can seem more difficult than actually running your business in the first place. J.K. Lasser puts a stop to the madness by breaking down the requirements, forms, and processes into a sensible workflow, with expert help that can save your business money. Organize your recordkeeping for a more streamlined filing Claim income and losses from business, property, and capital gains Identify the many business expenses that qualify as deductions Learn professional planning strategies specifically for small businesses Work more efficiently with your own tax advisor You're an expert on your business, not taxes. Unless you're inclined to moonlight as a tax accountant, you need a trusted expert on your side to help you keep more money where it belongs—in your business. J.K. Lasser's Small Business Taxes is the ultimate guide to filing quickly, correctly, and with less stress, so you can get filed and get back to work.

Concise, informative, and well-indexed, this book helps readers get the "big picture" as well as the considerable number of details involved in managing the finances for a library. □ Provides completely updated information through engaging, clear explanations of details on licensing, contracts, and maintaining technology and electronic resources □ Supplies helpful guidance for all levels of library staff—not just upper management □ Offers numerous real-world budgeting and finance examples from practicing librarians □ Presents information relevant to library administrators in all types of libraries, staff who work with budgets, library finance and budget officers, library board or governance officers, and library foundation managers and grant writers

Stop overpaying on your small business taxes! J.K. Lasser's Small Business Taxes 2016 helps small business owners maximize their bottom line with straightforward, yet comprehensive guidance from the most trusted name in tax. Featuring a complete listing of all available business expense deductions, including dollar limits and record-keeping requirements, this book helps you quickly determine what kind of tax relief is available to you, and how to take it—all the way down to where to claim deductions on the forms themselves. Tax facts, strategies, and the latest up-to-date information help ensure that you don't miss out on money-saving opportunities, and sample forms and checklists help you get organized and submit a complete and proper filing. You're an expert on your business, not on taxes. But you still have to pay them. Millions of small business owners pay too much because they lack the time and expertise to identify deductions designed with them in mind. This book aims to put a stop to overpayment in 2016, so you can put more of your time and money back where it belongs. Simplify tax time and focus on your business Reduce your tax bill easily and legally Find the answers that are relevant to your business Understand deductions and how to take them properly As a small business owner, your plate is full just keeping your business going. You don't have the time or energy to start a second career as a tax accountant, yet you don't want to overpay the IRS when that money could do great things for your business. J.K. Lasser's Small Business Taxes 2016 is your solution manual for a streamlined tax time and substantial tax savings.

Complete Guide to Federal and State Garnishment provides much-needed clarity when the federal and state laws appear to conflict. You'll

find plain-English explanations of the laws and how they interact, as well as the specific steps you and your staff need to take to respond to the order properly. Numerous detailed examples and mathematical calculations make it easy to apply the law under different scenarios. Written by Amorette Nelson Bryant, who was recently appointed by the Uniform Law Commission as an observer for the Drafting Committee on a Wage Garnishment Act and was a past chair of both the APA GATF Child Support Subcommittee and Garnishment Subcommittee, Complete Guide to Federal and State Garnishment brings the payroll professional up-to-date on the latest federal and state laws and regulations affecting this ever-changing area. It is your one-stop source for answers to critical questions, such as: Does the amount exempt from garnishment change when the minimum wage goes up? How do I determine the wages to which the garnishment applies? If an employee is subject to more than one garnishment, which has priority? Which state's rules do I use when I receive a child support order sent from another state? State or federal law - which applies for creditor garnishment and support? Are there alternatives to remitting withheld child support via EFT/EDI? How do I handle garnishments when employees are paid a draw against salary? Complete Guide to Federal and State Garnishment, 2016 Edition brings you up to date on the latest federal and state laws and regulations affecting this ever-changing area. Highlights include: The revised income withholding order for support and an explanation of its changes and requirements An additional suggestion of what should be checked when you receive any type of garnishment A more efficient means for an agent to deliver garnishment documents New section on the future of medical support Why your employee might not be entitled to exempt amounts from a federal tax levy Updated figures for federal tax levies in 2014 Increased cost of voluntary tax agreements Updated Form 2159 New contact information for administrative wage garnishments Update on a uniform state law for wage garnishments Trend to lengthen the period when a deduction for a creditor garnishment may be stopped New statistic on percentage of child support collected through income withholding How federal legislation, which was introduced into Congress, would affect the delivery of the income withholding order to employers Updated Debt Inquiry Service chart Why you may be receiving more orders to withhold for past-due child support in Indiana And more!

Payroll professionals need to be 100 percent compliant with a host of legislative and regulatory requirements. The 2016 Revised Edition of American Payroll Association (APA) Basic Guide to Payroll is an invaluable resource that helps you stay up to date, answer employees' questions, and train your staff The 2016 Revised Edition of the American Payroll Association (APA) Basic Guide to Payroll includes: A fingertip guide that enables you to find payroll taxability and wage-hour ramifications of benefits immediately Checklists that help you make precise determinations quickly and confidently A "What's New in Payroll for 2016" chapter that lets you know what changes you must implement this year And more! The 2016 American Payroll Association (APA) Basic Guide to Payroll has been completely updated to help you deal with the issues you will face in 2016: New regulations eliminating automatic extensions to file Form W-2 Changes to the taxability of transit benefits Insight into whether DOL considers workers employees or independent contractors Increased penalty for failure to properly and timely provide payee statements to employees Ramifications of a new court case about unpaid interns Update on certified professional employer organizations An IRS pilot to contact employers that may be falling behind in their payroll taxes How the "timely mailed, timely filed" rule applies when you use a delivery service And more!

The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues. You'll know what to do (and what not to do) to avoid costly mistakes or oversights, confront HR problems - legally and effectively - and

understand the rules. The Complete Guide to Human Resources and the Law offers fast, dependable, plain English legal guidance for HR-related situations from ADA accommodation, diversity training, and privacy issues to hiring and termination, employee benefit plans, compensation, and recordkeeping. It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource. Previous Edition: Complete Guide to Human Resources and the Law, 2018 Edition ISBN 9781454899945

Health insurance agencies today face a decision with dramatic implications. Benefits administration is going online, and brokers can either let their clients pick a platform or select one for them. Agencies that choose a system and implement it successfully, incorporating software as part of their value proposition, will experience happier clients, agency growth, and a doubling of profitability. But how do you choose? Not all benefits platforms are created equally. Faced with the risk of choosing the wrong platform, many brokers are waiting for market leaders to emerge. But your clients are going online with or without you, and your agency will support their system whether you provided it or they picked it on their own. The longer you wait, you risk putting your agency in the position of managing separate systems for each of your clients. So how do you find and implement the right system? Online Benefits Technology: The Strategic Broker's Guide outlines the decision you face, what to look for in a system, and how to implement.

Equal Employment Opportunity Compliance Guide, 2015 Edition is the comprehensive and easy-to-use guide that examines all the major administrative and judicial decisions, interpretive memoranda, and other publications of the EEOC, providing complete compliance advice that is easy to follow - as well as the full text of the most important EEOC publications - and more - on CD-ROM. This one-stop "EEO solution" delivers completely current coverage of compliance developments related to: Harassment - Including thorough coverage of the employer's prevention responsibilities Disability - Fully comply with all requirements including the accommodation of work schedules Religious discrimination - Keep current with the most recent developments, including "reverse" religious discrimination Gender-identity discrimination - Avoid high profile and potentially costly mistakes
