Prague Travel Guide - National Geographic

There's now a renewed appreciation throughout Prague for Karlín's long-overlooked merits. Its location, next to the New Town and the Vltava river, helps. The streets are lined with proud-but-elegant art nouveau buildings, and the twin-spired Church of Saints Cyril and Methodius in lawn-covered Karlínské Square is an absolute stunner.

Vienna to Prague Hiking Adventure - National Geographic

The first time I visited Prague, back in the '90s, it was cold and foggy and rained almost constantly. I loved every minute of it. This, I thought, was how the city of Kafka should feel: 19th-century lamps emitting a ghostly glow through the dense fog; mysterious men in black coats shuffling along cobble streets; handsome bridges arching over the silent Vltava river like claws.

Read Download National Geographic Walking Prague PDF | PDF ...

With that in mind, I bought "Walking Prague: The Best of the City", by National Geographic. I've been to Prague many times, (but not since buying this book earlier this week!), and I think its a very good guide to those walkable parts that a visitor should see in two or three day visits to the city.
