Whether living in an urban sprawl, a sunny suburb or rolling countryside, the taxi is a mode of transport that no doubt every resident of the UK will use in their lives. So prevalent is it in British society that the black cab has become one of the most iconic symbols of the country and its capital. Here Danny Roth presents the most comprehensive history of the taxi service of Britain complete with in-depth appendices and a wide-ranging, fascinating collection of 250 taxi images. Beginning from the birth of the taxi, four millennia before Christ, through Victorian times to the present day with views on the future, no stone is left unturned in this history of British taxi service. Accessibly written and filled with

Manuals transmissions manufactured between 1991 and 2013 ensures that these highly capable 4-speed overdrive units will be in service for years to come. Automatic transmissions are often seen as mysterious and overly complicated, but much of the guesswork has been simplified to its basic elements in this easy-to-follow guide. This book covers the process of identifying the best versions, tearing down the 4L80E, rebuilding, reassembly, and troubleshooting. Upgrades that are available for the 4L80E, which is a popular topic among performance fans and transmission swappers, are also included. This detailed, step-by-step instructional manual is authored by racer and builder Eric
