From the Publisher: This latest edition of an official U.S. Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army. This scholarly yet readable book is designed to inculcate an awareness of our nation's military past and to demonstrate that the study of military history is an essential ingredient in leadership development. It is also an essential addition to any personal military history library.

Mighty Lewd Books describes the emergence of a new home-grown English pornography. Through the examination of over 500 pieces of British erotica, this book looks at sex as seen in erotic culture, religion and medicine throughout the long eighteenth-century, and provides a radical new approach to the study of sexuality.

The Fashion Design Manual is a comprehensive introduction to the world of fashion. It introduces the reader to the cycles and trends of fashion, the principles and practice of fashion design, the range of techniques and skills required to be successful in the industry, and the economic reality of the world of retail fashion. The Fashion Design Manual follows the path a garment takes from sketch to sample, through production and finally via the retail outlet to the wearer. The book is very generously illustrated with drawings, sketches, and photographs throughout.

Based on thousands of letters written by patients and their relatives and on a wide range of other sources, this book provides the first comprehensive account of how early modern people understood, experienced and dealt with common diseases and how they dealt with them
