Our Lady Fetta opens in Portland, Me., and involves a small Hollywood estate with too many beneficiaries. The disposition of the will naturally carries the protagonist back to the Midwest and ultimately to the Southwest to reconnect with his former college classmates, one of whom acts as his attorney. The novel's diverse settings include Halifax, Chicago, Mesa, Santa Fe and Tucson, where a couple of transplanted Mainers also figure among the hero's allies. Sanctimony, greed, religiosity, acculturation, the preservation of natural habitats, and other topics are explored; in addition to commentary and ideas by Robert Louis Stevenson, Somerset Maugham, Carlos Castaneda, Jim Morrison, Bram Stoker, and William Peter Blatty. Jet-setters, one of the short stories featured in the book, centers on a hilarious two-year romp in the Samoan islands at the onset of the global AIDS crisis. Other notable tales include New America, in which the author proposes a simple but macabre solution to overcrowded, tax-draining prisons, namely, banishment aboard galleons; Cardinal du Jour, about a teenage boy who narrowly escapes being molested by a high-ranking priest; Louse Party, about an LSD party and the horrors of addiction and drug abuse; and House with Ghost, based on actual events, about a man suffering from spirit attachment, whose ghostly companion haunts the home in which he rents a room and drives him out of the house.

Maria Morera Johnson grew up knowing the virgencita—the Virgin Mary—and had a special love for Our Lady of Charity, the patroness of Cuba. Even after Johnson moved to the United States, Our Lady of Charity continued to influence her life. In her new book, the bestselling and award-winning author shares her childhood recollections of the devotion to the patroness of her native country and stories of how Mary helped her deepen her faith and led her to Jesus. Johnson also invites you to know Mary in a new way and to allow devotion to the Blessed Mother to help you open your heart to others and to grow in faith and love. The origin of the devotion to Our Lady of Charity in Cuba comes from a seventeenth-century story of three men who were tossed about at sea during a violent storm. They prayed to Mary for her protection and the storm suddenly disappeared. They found a statue of the Blessed Mother holding Jesus and a gold cross floating in the water. The statue included the inscription: “I am the Virgin of Charity.” The statue was completely dry as it floated in the water. Our Lady of Charity is not a Church-approved apparition; nevertheless, several popes—including St. John Paul II and Pope Francis, who celebrated Mass at her shrine during his visit to Cuba in 2015—have supported devotion to Mary under this title. Johnson, author of the bestselling *My Badass Book of Saints*, traces the history of Our Lady

of Charity in Cuba and how the devotion was spread by emigrants as they left their country behind. Johnson weaves the story of the devotion with Cuba's history, memories of her homeland, and tales of her journey back to Cuba for the first time since her childhood during Pope Francis's 2015 Apostolic Visit. Throughout *Our Lady of Charity*, Johnson shares her devotion to Mary and passion for her Catholic faith. This evocative spiritual memoir is part history and part memory, part modern-day travelogue and part meditation on the role faith, family, and devotion have on how we live and love.

This ethnography uses a lived religion approach to explore devotion in contemporary Marian apparitional movements. It investigates how individuals understand and express Catholic identity in the modern world through beliefs, practices, and relationships with individuals, institutions, and divine figures.

Some of the best minds in Mariology today have collaborated to produce this monumental anthology in honor of Our Lady and in complete fidelity to the Magisterium. Buy this book and make a present of it to your parish priest, the religious sister you know, the seminarian from your diocese, or the consecrated person or educated layperson at your parish. It's a Mariological "must read," especially for our priests and seminarians. -Dr. Scott Hahn Author and Professor of Theology at Franciscan University of Steubenville

#1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put

Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...
