Strategic level is the third and final level of the CIMA Professional Qualification and consists of three subject areas and the Strategic level case study exam. The Strategic level focuses on long term strategic decision making. You will be able to support organisational leaders to craft strategy; evaluate and manage risks that might prevent organisations from successfully implementing strategy; value organisations; and source financial resources required to implement of strategy.

## *CIMA - Strategic level*

The F3 syllabus has remained broadly the same. 20% of the content has changed but this is due to the relocation of Financial Risk management from P3. Because F3 has the least new content at strategic level, any students who are unable to complete the strategic level fully before the new syllabus commences would be recommended to consider this as their first paper of choice to sit under the existing syllabus.
