Love the Algebra 2 practice book. My project over the Summer is to re-learn with my current semi wisdom and see what more comes to light with a strong Algebra review. Reason I purchased the base book and this workbook is because its used as the foundation for The Great Courses "Algebra II" (expensive but frequently on sale).

StudyPug covered the common core standards for algebra 2 so well. I found all the materials I need for homeschooling my daughter. Just having the glencoe algebra 2 skills practice answer key at the back of the book doesn't really teach her how to solve the math questions. So, the algebra 2 step-by-step videos are particularly useful.
