Some benefits of working on pre-writing skills include: Promoting proper hand grasp/pencil grasp on objects used in hands-on activities (such as tongs, paint brushes, grasping objects, etc). Particularly working on the pincer grasp will be helpful for future handwriting skills. Hand strength needed to grasp a pencil.

Basics of Pre-Writing Activities and Skills for Kids

Writing is a process that begins long before a child forms letters with a pencil. It involves building pre-writing skills during preschool, which are necessary for a child to be able to master letter formation and pencil control. Pre-writing skills are also an important part of school readiness.

Pre Writing Activities Every Parent Should do with their ...

For a child to be able to write and form letters properly in the future, they first of all need to learn how to copy and form simple shapes. Pre-writing skills don't have to be developed by sitting at a table and doing writing tasks. Movement is a great way to teach children about shape, direction and other things they need to understand.
