Reboot was, in my honest opinion, a lot better than Ruined. I don't know how Rebel is and if it is better or not, but I'll find out soon. For now, Reboot is my favorite by Amy. It had a lot more sci-fi elements that were interesting and in ruined, the whole fantasy elements fell off.

Reboot is about a dystopian future where a virus can cause people to reboot and come back to life. The reboots are controlled by H.A.R.C., who use the reboots to d their dirty work. Two reboots, Wren 178 and Callum 22, help out a resistance and help other reboots escape to a reboot reservation in north Texas. I have mixed feelings about this book.
